NP-2007-09-119-MSFC

A podcast connecting high school and college students with learning opportunities inside America's space agency

Visit www.nasa.gov/nso for info.

NASA podcast

Hear firsthand what it's like to be a student member of a NASA team:

"It's been my dream since forever to work for NASA."

-Hilda Vivas
NASA intern

- Weekly audio podcast for high school and college students
- Information about upcoming NASA learning opportunities and application deadlines
- Interviews with students who receive NASA internships, fellowships or scholarships
- Highlights of NASA learning opportunities, such as:
 - NASA Academy
 - Undergraduate Student Research Project
 - Graduate Student Research Project
 - NASA Cooperative Education
 - Microgravity University
 - National Space Grant College and Fellowship Program
 - Pre-Service Teacher Institute
 - Harriett Jenkins Predoctoral Fellowship Project
 - Great Moonbuggy Race
 - FIRST Robotics Championship

"If you just are tenacious enough, and you stick with it, and then you get one internship or co-op, or research fellowship, or something like that -- the first one opens up the door for subsequent others."

-Omar Mireles
Graduate Student Research Project fellow

"This is the first time that I have found myself surrounded by so many individuals that are all passionate and intelligent and share all my same interests."

-Lauren Edgar
NASA Academy intern

"The lessons that we've learned here will help us when we get a job."

-Jamaal Moore
Great Moonbuggy
Race competitor

You can subscribe and listen on your computer or portable MP3 player, or go to the NASA Web site and listen online.

SUBSCRIBE

It's free and easy to subscribe to the NASA Student Opportunities podcast.

1. Go to: www.nasa.gov/nso
2. Click on the "XML PODCAST" icon beside any episode.
3. Copy the Web address.
4. Paste the Web address into your free podcasting software, such as Apple iTunes®, Yahoo!® or Odeo™.

Once you subscribe to the podcast, new shows will be automatically delivered to your computer and added to your portable device on the next sync.

LISTEN ONLINE

Go to www.nasa.gov/nso and click on "Listen now" to play the podcast.
