Dear Mr. Davis:

The New Mexico Environment Department (NMED) has received the National Aeronautics and Space Administration Johnson Space Center White Sands Test Facility (Permittee) *Interim Status Report for 600 Area Perched Groundwater Extraction Pilot Test Project Year 9* (Status Report), dated April 26, 2022. NMED has completed review of the Status Report and hereby issues this Approval.

The Status Report documenting project year ten activities must be submitted to NMED for review no later than **April 28, 2023**.

This approval is based on the information presented in the document as it relates to the objectives of the work identified by NMED at the time of review. Approval of this document does not constitute agreement with all information or every statement presented in the document.
