The purpose of this modification is to 1) exercise the Option Period One, extending the term and increasing the value of the contract accordingly, and 2) add incremental funding as follows:

- 1) In accordance with FAR clause 52.217-9, "Option to Extend the Term of the Contract," the government hereby exercises its right to renew the terms of the contract for an additional twelve month period of performance from May 1, 2004 through April 30, 2006.
  - a) As a result of the above, the total Firm Fixed Price is increased to [B-4]
  - b) As a result of the above, the total Estimated Cost and Fixed Fee is increased to [B-4]
  - c) The IDIQ portion of the contract for the base period and option one will be reassessed and incorporated into the contract at a future date.
  - d) A wage determination has been requested for the first option period. Upon receipt of the wage determination a unilateral modification will be issued to incorporate the new labor rates. The contractor shall retroactively pay employees at least the minimum wage determination rates for the specific categorical positions effective May 1, 2005.
- 2) The clause at section B.9, LIMITATION OF FUNDS (FIXED-PRICE CONTRACT) (NFS1852.232-77) (MARCH 1989), paragraph (a) is deleted and replaced with the following:

(a) Of the total price of items 01 through 03 in paragraph B.2, including IDIQ, the sum of \$6,820,762.00 is presently available for payment and allotted to this contract. The purpose of this modification is to add funding to the FFP and IDIQ portions of the contract.

As a result of the above:

The clause at section B.9, LIMITATION OF FUNDS (FIXED-PRICE CONTRACT) (NFS1852.232-77) (MARCH 1989), paragraph (a) is deleted and replaced with the following:

(a) Of the total price of items 01 through 03 in paragraph B.2, including IDIQ, the sum of B-4 is presently available for payment and allotted to this contract. It is anticipated that from time to time additional funds will be allocated to the contract in accordance with the following schedule, until the total price of said items is allotted:

Specifically, this modification 1) incorporates changes to the SOW in section C and 2) makes changes to Section B as outlined below:

1)(a) SOW Section C.11.1A is removed from the Fixed Price Requirements and placed, unmodified, into Section C.11.2 Indefinite Quantity Work as paragraph C.11.2J. Paragraph C.11.1A now reads as follows: "DELETED"

(b) SOW Sections C.15.1 and 15.2. are deleted in their entirety and replaced with the following:

### **A. Shipping/Packing**

1. The Contractor shall provide centralized shipping services, material, and equipment in processing all domestic and international shipments. The Contractor shall pack in accordance with the Federal Regulations to ensure protection from damage, using the appropriate materials (i.e., crates, tri-walls etc.) The Contractor shall ensure that all hazardous material Transportation Handlers are trained and certified (in hazardous material classes 1-9) for all three (3) modes of transportation, such as those requirements defined in CFR 49 Part 172 Subpart H-Training, and International Air Transport Association (IATA) Subsection 1.5 Training Requirements. The Contractor shall ship export-controlled material in accordance with all applicable federal regulations. When Necessary, the Contractor shall direct customers to the Center Export Control Office and forward a completed copy of the ARC Forms 66 to the Freight Rate Office. There have been approximately three hundred (300) shipments for one thousand (1,000) pieces, comprised of two hundred thousand (200,000) pounds in weight annually. All additional shipments over 300 annually shall be charged to indefinite quantity work (IDIQ). Excluding common carrier (i.e. FedEx, UPS etc.) packages. The Government shall distribute/coordinate all shipping documentation to the Finance Office.
2. The Contractor shall process those shipments that meet the size and weight limitations by small parcel carriers. The Contractor shall be responsible for ensuring that small packages up to 150 pounds are accomplished as scheduled. The Contractor shall notify the Freight Rate Office immediately if unable to adhere to the shipping schedule and attach a brief written statement detailing the incident to the shipping document. The Contractor shall process all priority outbound shipments up to 150 pounds within 4 hours of receipt. The Contractor shall process all routine shipments over 151 pounds within two (2) days of receiving the ARC 66. Processing lead-time of mission critical items will be evaluated by Task Manager and Contractor on a case by case basis.
3. Shipping Documentation –  
The Contractor shall provide the Freight Office with a complete ARC 66 to include weight, dimensions, control register number and hazardous requirements, to the Freight Rate Office. The Contractor shall provide any other proper documentation to the Freight Office as required. The Government shall process all common carrier (i.e. FedEx, UPS) invoices utilizing the charge back system and work with the Finance Office on any issues. The Freight Rate Specialist shall provide customer support; maintain outbound documentation files, record keeping, and problem follow up

resolution. Ensure customer contact on shipping matters and billing information.

4. Shipping Database Control/Reports –

The Contractor shall maintain the current and any future databases for use in collecting data and preparing Contractor reports. This information is to include identification of all domestic and international shipments by air, water, truck, rail, and any other mode of transportation. Reports will be submitted to the Transportation Office.

## **B. Receiving**

1. The Contractor shall provide all receiving services for ARC including maintaining a file system on all Commercial Bill of Ladings and other documentation. The Contractor shall off-load material from all carriers and distribute/deliver as needed, inspect for damage, and x-ray all items. The Contractor receives all goods and verifies piece count with the Government purchase order/contracts, notifies Equipment Specialist as required to tag capitalized or sensitive equipment, and prepares receiving documentation for acceptance. The Contractor shall notify the Freight Rate Office when necessary to identify oversized packages. Extra attention shall be made for shipments going to Senior Officials. Upon acceptance, the Contractor shall distribute the receiving documentation, immediately report all freight damage to the Freight Rate Office, and prepare discrepancy reports applicable to any and all receipts when appropriate. The Contractor shall ascribe a date and time stamp the outside front flap of all receiving folders. The inbound receivables annual average is approximately thirty thousand (30,000) pieces. Government purchase orders/contracts account for approximately 20% of all received goods.

2. Receiving Documentation –

The Contractor shall complete the Inbound Shipment Control Register. The Contractor shall sign for received shipments and annotate for date, damage, etc. The Contractor shall provide all Commercial Bill of Lading documentation to the Freight Rate Office as required.

3. Receiving Database Control/Reports –

The Contractor shall maintain the current and any future databases for use in collecting data and preparing Contractor reports. This information is to include identification of all domestic and international shipments by air, water, truck, rail, and any other mode of transportation. The Contractor shall process Rejection & Delinquency (R&D) Reports (ARC-276), Disposition Report (DISREP), Report of Discrepancy (ROD), and maintain a discrepancy register. The Reports of Discrepancy (ROD) shall be processed within thirty-six (36) hours of receipt. Copies of these records shall be submitted to the

Freight Rate Office. Annually there are approximately twenty-four (24) R&Ds/DISREPs and two hundred (200) RODs processed. The Government shall be responsible for contacting the NASA procurement agent to resolve the discrepancy identified on the reports above.

14. DESCRIPTION OF AMENDMENT/MODIFICATION (Organized by UCF section headings, including solicitation/contract subject matter where feasible.)

A. The purpose of this modification is to delete Modification Number Thirty-Seven (37) thus causing Modification Thirty-Nine to become the modification which changes the contract number in block 10A above from **NNA04C113C** to **NNA07CA19**. This action is necessary due to the limitations of the current accounting system upon conversion to a new contact management system. This change results in no increased cost to either party.

B. All other terms and conditions remain unchanged and in full force and effect.

Except as provided herein, all terms and conditions of the document referenced in Item 9A or 10A, as heretofore changed, remains unchanged and in full force and effect.
