**12. PUBLIC RELEASE.** Any information (classified or unclassified) pertaining to this contract shall not be released for public dissemination except as provided by the Industrial Security Manual or unless it has been approved for public release by appropriate U.S. Government authority. Proposed public releases shall be submitted for approval prior to release  Direct  Through (Specify)

Via: External Affairs Office, National Aeronautics and Space Administration, Ames Research Center, M/S 204-2, Moffett Field, CA 94035.  
To: Office of Public Affairs, National Aeronautics and Space Administration Headquarters, Washington DC 20546

to the Directorate for Freedom of Information and Security Review, Office of the Assistant Secretary of Defense (Public Affairs)\* for review.  
\*In the case of non-DoD User Agencies, requests for disclosure shall be submitted to that agency.

**13. SECURITY GUIDANCE:** The security classification guidance needed for this classified effort is identified below. If any difficulty is encountered in applying this guidance or if any other contributing factor indicates a need for changes in this guidance, the contractor is authorized and encouraged to provide recommended changes; to challenge the guidance or the classification assigned to any information or material furnished or generated under this contract; and to submit any questions for interpretation of this guidance to the official identified below. Pending final decision, the information involved shall be handled and protected at the highest level of classification assigned or recommended. (Fill in as appropriate for the classified effort. Attach, or forward under separate correspondence, any documents/guides/extracts referenced herein. Add additional pages as needed to provide complete guidance.)

Contract performance is limited to NASA Ames Research Center, Moffett Field, CA.

NASA will provide complete classification guidance for the services to be performed. The COTR and/or Task Requester will provide this guidance directly to the Contractor's on-site employees performing the classified work.

The NASA COTR will specify which positions require security clearances.

Item 10f: This contract will require access to special access information. As such, personnel security investigative requirements are enhanced, as referenced in the NASA Special Access Program Security Guide. When certain employment positions are specified by the NASA COTR as needing access to special access information, the Contractor will ensure that the necessary personnel possess and maintain, at minimum, a SECRET Clearance based on a NACLC conducted within the past five years.

**14. ADDITIONAL SECURITY REQUIREMENTS.** Requirements, in addition to ISM requirements, are established for this contract.  Yes  No  
(If Yes, identify the pertinent contractual clauses in the contract document itself, or provide an appropriate statement which identifies the additional requirements. Provide a copy of the requirements to the cognizant security office. Use Item 13 if additional space is needed.)

Safeguard all information in accordance with NASA Procedural Requirements (NPR) 1600.1 and NASA Ames Research Center Procedural Requirements (APR) 1620.1.

**15. INSPECTIONS.** Elements of this contract are outside the inspection responsibility of the cognizant security office.  Yes  No  
(If Yes, explain and identify specific areas or elements carved out and the activity responsible for inspections. Use Item 13 if additional space is needed.)

Elements of this contract can be outside of the inspection responsibility of the cognizant security authority. If work is performed at a NASA Center, the cognizant Office of Security and Program Protection maintains security oversight for all activities on NASA Centers. The Defense Security Service (DSS) maintains cognizance of all other security performance off of NASA Centers.
