12. PUBLIC RELEASE. Any information (classified or unclassified) pertaining to this contract shall not be released for public dissemination except as provided by the Industrial Security Manual or unless it has been approved for public release by appropriate U.S. Government authority. Proposed public releases shall be submitted for approval prior to release Direct Through (Specify)

Via: Public Affairs Office, NASA Ames Research Center, M/S 943, Moffett Field, CA 94035-1000
 To: Office of Public Affairs, NASA Headquarters, Washington, DC 20546-0001

to the Directorate for Freedom of Information and Security Review, Office of the Assistant Secretary of Defense (Public Affairs)* for review.
 *In the case of non-DoD User Agencies, requests for disclosure shall be submitted to that agency.

13. SECURITY GUIDANCE. The security classification guidance needed for this classified effort is identified below. If any difficulty is encountered in applying this guidance or if any other contributing factor indicates a need for changes in this guidance, the contractor is authorized and encouraged to provide recommended changes, to challenge the guidance or the classification assigned to any information or material furnished or generated under this contract, and to submit any questions for interpretation of this guidance to the official identified below. Pending final decision, the information involved shall be handled and protected at the highest level of classification assigned or recommended. (Fill in as appropriate for the classified effort. Attach, or forward under separate correspondence, any documents/guides/extracts referenced herein. Add additional pages as needed to provide complete guidance.)

Contract performance is limited to NASA Ames Research Center, Moffett Field, CA.

Safeguard all information in accordance with NASA Procedural Requirements (NPR) 1600.1 and NASA Ames Research Center Procedural Requirements (APR) 1620.1.

The COTR will specify which positions require security clearances.

The COTR will provide any classification guidance required by the contractor during the course of contract performance.

Elements of this contract may require access to Special Access Information. If required by the CO or COTR to perform on these type of activities, the contractor will adhere to the requirements in the NASA Special Access Program Security Guide (dated December 2002 and all subsequent revisions) to ensure that all personnel directly supporting SAP efforts must be eligible and maintain at minimum of a SECRET clearance based on a NACLC investigation conducted and maintained within a five-year scope.

14. ADDITIONAL SECURITY REQUIREMENTS. Requirements, in addition to ISM requirements, are established for this contract. Yes No
 (If Yes, identify the pertinent contractual clauses in the contract document itself, or provide an appropriate statement which identifies the additional requirements. Provide a copy of the requirements to the cognizant security office. Use Item 13 if additional space is needed.)

Safeguard all information in accordance with NASA Procedural Requirements (NPR) 1600.1 and NASA Ames Research Center Procedural Requirements (APR) 1620.1.

15. INSPECTIONS. Elements of this contract are outside the inspection responsibility of the cognizant security office. Yes No
 (If Yes, explain and identify specific areas or elements carved out and the activity responsible for inspections. Use Item 13 if additional space is needed.)

Elements of this contract are outside of the inspection responsibility of the Defense Security Service (DSS). DSS maintains cognizance over non-SAP and non-NASA Center performance and the NASA Protective Services Office assumes security cognizance for all SAP and all activities conducted on a NASA Center.
