

Girl Scouts of Northern California  
Destination 2010

*The Future is Green*

*July 22 - August 1, 2010*

Imagine cleaner air, less polluted waters, and very little waste being put into our landfills. Choose your area of interest: astronomy, robotics or the environment and discover how you and green technology can help make these dreams a reality. Astronomy participants will learn about the night sky, technology that is used to explore the universe, and how astronomers have become instrumental in research regarding global climate change and space debris. Robotics participants will explore the importance of robots in exploration, health care, and helping to make the world “green.” They will then design, build, and program their own robot to meet certain challenges. Environment participants will explore the eco-challenges and successes of the San Francisco Bay.

The first 8 nights you will be staying at the Presentation Center nestled in the redwood forest of the Santa Cruz Mountains. This facility has received the Gold LEED Certification Award for its new Welcoming Center and has a strong “green” mission. At the center you will participate in hands-on activities related to your area of interest and take fieldtrips to the California coast, NASA Ames Research Center, Monterey Bay Aquarium and Research Institute, and other local areas of interest. The last two nights you and the other 68 girls and chaperones will go to San Francisco for the “San Francisco Experience” including a visit to the California Academy of

Sciences and a ride on a hybrid ferry in San Francisco Bay.

**Who:** Girls must be 13-18 years old (entering at least 9<sup>th</sup> grade at time of event)

**Where:** San Francisco Bay Area

**When:** July 22-August 1, 2010

**Cost:** \$750 per girl (financial aid for the event and for travel is available to qualified applicants, see attached financial aid application)

**Priority Deadline:** January 19, 2010 (received by GSNC)

**Extended Deadline:** February 28, 2010 (received by GSNC)

**Deposit:** \$200 due within 2 weeks of acceptance and will be applied to event fee.

**Please include answers to the following questions in your essay:**

- In what ways do you think technology and nature are merging?
- Explain how you think technology can help nature and/or how nature can help technology.
- What do you find most interesting about these topics: technology, environment, astronomy, robotics? (May include all topics or just those in which you are most interested.)

**Please choose area of interest:**

☐ Robotics ☐ Astronomy & the Universe ☐ Environment.

## Application Form Instructions

**Here's the first step to an adventure of a lifetime!**

Use the application form for all national and international *destinations* that require an application. (The *destinations* that are "Getaways" have their own registration forms and timelines.)

### Instructions:

1. Type or print clearly using **black** ink. Continue questions on a new page if your answers are longer than the space provided. Clearly label the additions.
2. Fill out the application completely. **Make a photocopy for yourself.**
3. Make sure you, your parent/guardian, and a staff person from your Girl Scout council signs the last page.
4. Send or take your completed applications to your Girl Scout council by your **council's deadline**. (If you are a USA Girl Scout Overseas, please send your completed application to your Overseas Committee Chair by October 25, 2010. If you have questions about the application process, please e-mail [overseas@girlscouts.org](mailto:overseas@girlscouts.org)).
5. While you can use the same short answers and same references for each event you apply for, you need to write a separate essay for each event. **You can apply for up to 4 (FOUR) destinations.**
6. Please write your essays on separate pages, using one page per essay.
7. Be sure to put your name and the event name on the top of each page of your application.

**Happy Traveling!**

Name: \_\_\_\_\_

# *The Future is Green*

## *Financial Aid Information*

### Information for all Applicants

- Financial Assistance funds are supplementary. The Council expects each girl to earn some money towards her Destination and each family is expected to supplement this amount as much as possible to cover the event fees.
- Financial Assistance funds are based on financial need and/or special circumstances. Based on where a family qualifies, assistance can range from 20% up to 80% of a request.
- Financial Assistance funds are limited. The Council makes every effort to provide enough support so that no girl is denied participation in a Girl Scout experience due to lack of funds.
- Applicants may be eligible for Financial Assistance up to twice a year if the second experience is significantly different from the first.
- The Council offers payment plans. The payment schedule is negotiable.

### Members from outside of Girl Scouts of Northern California

- Thanks to generous grant funding awarded to the council, Girl Scouts of Northern California is able to provide Financial Assistance and Travel funds to those who live in other councils.
- These funds are available to girls who need additional funding beyond what their own council has awarded them for Financial Assistance and Travel.
- Each girl who is awarded Travel funds is required to write an essay about their trip, experiences and lessons learned at the Destination within 2 weeks of the final day of the Destination.

### To apply

- Complete the attached application. Incomplete applications will not be accepted. Be sure to include proof of income. Return this top sheet with your application to:
