

**Document Change Record  
For  
DFRC Travel Manager Version 8.0 TM-2 Preparer Course**

A change log is used to provide an audit trail of all approved changes made to the documents that make up the course after initial approval and posting. Changes will be reviewed and approved prior to incorporating into the document using established configuration management procedures. Updated revisions of this document will be made as approved changes impact the page numbers or content. This information will also be logged in the change control log. For columns not applicable, enter “N/A”.

**Table 1 is used to register all changes made to the documents that are part of DFRC Travel Manager Version 8.0 TM-2 Preparer Course.**
