

# Free Special Event NASA Glenn Visitor Center

## Space in 3D

Tuesday, December 30, 2008

9 a.m. to 4 p.m.

Experience space exploration in three dimensions at this special holiday event. A large 3D screen will display images and movies from space, allowing you to interact with some of the models and data NASA scientists routinely use. The presentation will include spacecraft design, virtual walk-throughs of rocket test facilities, Earth-orbiting satellites and more. We'll provide the glasses.

Presentations at 10 a.m., 12 p.m. and 2 p.m.

Presented by Dr. Jay Horowitz, Manager of Glenn's Graphics Visualization Lab

Make your reservations today by calling (216) 433-9653.

*See Web site for details.*

Free kids' crafts and activities, Eva the inflatable astronaut, "Picture Yourself in Space" digital photographs and much more.

- Access to the NASA Glenn Visitor Center is limited to U.S. Citizens.
- All adult visitors are required to present government-issued photo identification.

**Free admission always!**
