

GSFC VISITOR CENTER: EVENT

Science Day

WHO: Kids, Families, Teachers, anyone really...

WHAT: Help us celebrate NASA Goddard's partnership with the H.B. Owens Science Center. Join us and learn about all the cool science and engineering going on right now in your backyard! Come explore our cool exhibits, take part in hands on Earth and Space Science activities, and even see Science On the Sphere. You will get to meet scientists, engineers, and super cool people like us! You can even load up on free stuff, and more :)
