

Invitation to Risk Management and Knowledge Management Workshop
September 5th, 2008
8:30am - 12:00pm
GSFC Building 3, Room 200

The Office of the Chief Knowledge Officer is sponsoring a workshop titled **Risk Management and Knowledge Management: An Integration Story**. The workshop will be held on September 5, 2008, from 8:30am to 12:00pm, in Building 3 Room 200.

The workshop will highlight the ways risk management is approached with some insights on how RM is related to KM. It has been some time since the Risk Managers have gathered at Goddard and this is also an opportunity to come together and discuss some implications of the new NPR 8000.4.

Risk management is a Center-wide issue and this workshop is open to all codes. Risk managers, project managers and deputy project managers are strongly encouraged to attend.

Workshop Agenda

*Welcome and Introduction – **Ed Rogers & Feng Hsu***
