

Risk Management

Lessons Learned & Stories

**Sponsored by the Office of the Chief Knowledge Officer
November 13, 2008
9:00am to 12:00pm
Building 26, Room 212**

The workshop will address risk management and knowledge management from several angles, combining a project presentation, a case study and a training component. Risk management is a Center-wide issue and this workshop is open to all codes. Risk managers, project managers and deputy project managers are strongly encouraged to attend.
