

Administrator O'Keefe to deliver farewell remarks

Return to Flight crew at KSC for familiarization activities

▲ **Farewell Broadcast:** You are invited to hear Administrator Sean O'Keefe deliver farewell remarks to the NASA Family from the Headquarters auditorium at 2 p.m. Friday. The Administrator's remarks will be broadcast live on NASA TV and on the Web at <http://www.nasa.gov/ntv>.

▲ **Return to Flight Update:** The STS-114 crew has been at KSC this week for equipment familiarization. Their stops have included the SSPF and the OPF. They have paid particular attention to the Orbiter Boom Sensor System and the RCC panels. Crew visits such as these are common practice and part of crew launch preparation. The launch window for the Return to Flight mission is May 12 to June 3.

■ **Sign Language Course** — The Disability Awareness and Action Working Group is hosting an introductory course in sign language. The course is being held once a week for three consecutive weeks from 10:30 to 11:30 a.m. in the O&C building, room 2004. The dates are March 22 and 29, and April 5. Space is limited, so please contact Lisa Arnold for enrollment at 861-3774 or Lisa.R.Arnold@nasa.gov.

■ **Call for Hybrid Cars and Other Vehicles** — To celebrate this year's 35th anniversary of Environmental & Energy Awareness Week (EEAW),

organizers would like to display cars and trucks from the past 35 years. The EEAW committee is looking for vehicles that depict how we have improved through the years.

The EEAW is also looking for employees who drive alternative fuel vehicles to display them during the week of April 18. Are you driving a Flex Fuel Vehicle or a diesel operating on Bio-diesel fuel? Do you drive an electric car? Share your experience with your fellow employees about your ride; how much fuel you are saving each week; the true experience of your hybrid, electric, CNG, propane, diesel or even grease vehicle.

The displays will be at the O&C Building (front parking lot) on April 20 and in the VAB Parking Lot E on April 21. You can sign up for one or both locations to display your vehicle. Volunteers will need to have their manager's permission to be on site during the display. However, you will be allowed to display your vehicle even if you cannot be present. If you're interested, please contact

Bruce Chesson, NASA Transportation, at 867-8635 or Bruce.E.Chesson@nasa.gov.

■ **African American History Month (AAHM) Luncheon** — On Friday, the *AAHM Luncheon* will be held from 11 a.m. to 1 p.m. at the Debus Center. The keynote speaker is Deidre Comegys Gordon, assistant managing editor of Features at *Florida Today*.

■ **Training Seminar** — The Space Coast Chapter of Federally Employed Women (FEW) and the NASA-KSC Federal Women's Program Working Group (FWPWG) are holding the 26th Annual Training Program (ATP), "Challenge Yourself in a Changing World." The cost for the one-day seminar is \$80 per participant. Please go to the FEW [Web site](#) for the ATP Registration package. Form and payment (or purchase order) are due by Feb. 23. Choose either March 2 or March 3 to attend.

■ **Did You Know?** On Friday, from 9 to 10:30 a.m., the Kennedy Space Center Occupational Health Program, in partnership with the American Heart Association and the Wuesthoff Health System, will present the Go Red For Women Campaign. The presentation can be seen in the Training Auditorium, on NASA TV Channel 7, or on the KSC [internal home page](#).
