STS-111 mission rescheduled

Employees invited to hear Expedition 3 Commander talk about his experience on ISS

▲ **Mission Update:** While the STS-110 mission remains on track for April 4, the STS-111 mission has been rescheduled for May 31. The latter will be the 14th flight to the International Space Station, carrying the MPLM Leonardo and the Mobile Base System, as well as the fifth resident crew for the Station.

▲ Expedition 3 Commander To Visit KSC --

Frank Culbertson, Expedition 3 Commander, will be at KSC to talk with employees about his mission aboard the International Space Station. His presentation will be held in the KSC Training Auditorium from 9 - 10 a.m. on Thursday, March 28. Employees are encouraged to attend.

◆ Nominations For CCTS Space Congress Awards --

The Canaveral Council of Technical Societies is soliciting nominations for the Space Congress Achievement Award and the Space Congress Technical Achievement Award. Nominations are being solicited from engineering companies, government agencies and technical organizations. Nomination forms and award criteria are available at <http://canaveralcts.org/awards.htm>. Deadline for submittal is April 15. For more information, please contact Awards Chair Susan Hutchison at 867-5828 or Susan.Hutchison-1@ksc.nasa.gov.

◆ **Education Update:** Beginning this summer at Spaceport, Florida Tech's School of Management will be offering the Master of Business Administration degree, and the MBA with a concentration in Acquisition and Contract Management. Evening classes are held at the Kennedy Space Center and Patrick Air Force Base. Applications are being accepted for the summer semester. Reg-

istration began March 25, and classes begin the week of April 29. Call 453-2030 or 784-2045 for additional information. For information regarding the MBA, e-mail Sharon Stites at [sstites@fit.edu](mailto:ssites@fit.edu). For all other degrees, e-mail Carolyn Henninger at chenning@fit.edu

◆ **Did You Know?** Two KSC events have been rescheduled:

1) The **beach cleanup** previously scheduled for March 14, has been rescheduled. More than 85 volunteers had registered for the cleanup, which had to be canceled due to hazardous operations on CCAFS. The U. S. Fish and Wildlife Service (FWS), in partnership with NASA, has rescheduled the beach clean up for April 12, from 1-3:30 p.m. The cleanup is open to all permanently badged KSC employees who wish to volunteer. The purpose of the event is to rid the beach of debris in advance of the sea turtle nesting season. Each year winter storms deposit tons of debris that can present hazards to nesting turtles and birds on KSC beaches. Volunteers will meet at the VAB parking lot just across from the MFF Cafeteria, at 12:30 p.m. on April 12. Bus transportation will be provided between this staging site and the beach. All volunteers must obtain their supervisor's permission in order to participate. Call FWS at 861-0667 to sign up or to obtain additional information. All interested participants need to call before April 10 to volunteer.

2) The Health Education And Wellness presentation on **Post-Traumatic Stress Syndrome** that was scheduled for March 21 at the MFF Cafe' has been rescheduled for Thursday, March 28, from 11 a.m. until 1 p.m.. Carol Roth, RN, MSN, will have handouts available and be available for counseling on any health subject or concern.★

KSC Countdown is published every Tuesday & Thursday.

Deadlines: 10 a.m. the day before. Send information, comments or questions to:

◆ E-mail – Anita.Barrett-1@ksc.nasa.gov ◆ Telephone – 867-2815
