

Office of SMALL BUSINESS PROGRAMS

Doing Business with NASA at the John C. Stennis Space Center, MS

Name: *Michelle M. Stracener*

Title: *Small Business Specialist*

Center: *John C. Stennis Space Center (SSC)*

Date: *November 17, 2011*

NASA SSC Center Overview

- Serves as NASA's primary rocket propulsion testing ground
 - NASA
 - Department of Defense
 - Private Sector
- Heavy Lift and Propulsion Technology
- Commercial Crew Development

NASA SSC Overview

Resident Agencies at Stennis Space Center

NASA Shared Services Center

Department of Defense

- Commander, Naval Meteorology & Oceanography Command
- Naval Oceanographic Office
- Naval Research Laboratory
- Naval Small Craft Instruction and Technical Training School
- Navy Special Boat Team 22
- Navy Human Resources Service Center Southeast
- Defense Contract Management Command

Department of Commerce

- NOAA, NWS, National Data Buoy Center
- NOAA National Marine Fisheries Service
- NOAA National Coastal Data Development Center

Environmental Protection Agency

- Environmental Chemistry Laboratory
- Gulf of Mexico Program

Department of Interior

- USGS Water Resources Division
- USGS Geomagnetism Center

Department of Transportation

- U.S. Coast Guard

Department of Energy

- Strategic Petroleum Reserve

General Services Administration

State of Mississippi

- Mississippi Space Commerce Initiative
- Geo Resources Institute

State of Louisiana

- Louisiana Technology Transfer Office

Mississippi Enterprise for Technology

- Stennis Technology Enterprise Center

Institute for Technology Development

- Spectral Visions

Commercial Companies

- Pratt and Whitney Rocketdyne
- Lockheed Martin, Mississippi Space and Technology Center
- Rolls Royce North America

Major Contractors

- Pratt and Whitney Rocketdyne
- Lockheed Martin
- Jacobs Technology Inc.
- ARTS
- A2 Research
- Paragon Systems Inc.
- Patriot Technologies

Center for Higher Learning

- Mississippi State University
- University of Southern Mississippi (USM)
- USM Center for Marine Science
- University of New Orleans
- Pearl River Community College

University of Southern Mississippi - College of Marine Sciences

- Dept. of Marine Science
- Center for Ocean and Atmospheric Modeling

NASA SSC Overview

Test Operations Contract

- Lockheed Martin (Large Business)
 - Cost Plus Award Fee (CPAF) Contract
 - Current Period of Performance runs through September 30, 2013
 - Total Term of contract: 5 years through March 31, 2016
 - Supplies SSC Test services including:
 - Test Support services
 - Maintenance Support services

- Point of Contact for Small Business Opportunities:
 - Linda Flowers
 - Email: linda.flowers@lmco.com

NASA SSC Overview

Facility Operating Services Contract (FOSC)

- Jacob's Technology, Inc. (Large Business)
 - Cost Plus Incentive Fee Award Term (CPIFAT) Contract
 - Current period of performance runs through August 27, 2012
 - Total Term of contract: 10 years through August 27, 2017
 - Supplies SSC's services, equipment and minor construction including:
 - Building Maintenance and Custodial
 - Cafeteria
 - Medical Clinic/Occupational Health
 - Environmental
 - Engineering
 - Fire Department
 - Mail Services
 - Machining Shop
- Points of Contact for Small Business Opportunities:
 - Deborah Case , Senior Contracts Manager
Email: deborah.k.case@nasa.gov
 - Donna Grimsley, Purchasing Supervisor for Supplies
Email: Donna.l.grimsley@nasa.gov

NASA SSC Overview

Information Technology Services (ITS) Contract

- ASRC Research & Technology Solutions (ARTS), LLC (8(a))
 - Cost Plus Incentive Fee (CPIF) Contract
 - Current Period of Performance runs through April 30, 2012
 - Total Term of contract: 5 years through April 30, 2015
 - Supplies SSC's ITS services including:
 - Project Management
 - Information and Technical Support Services
 - Technology Support Services
 - Science and Technology Services
 - Future Requirement Additions
- Point of Contact:
 - Kate Burk
 - Email: Kate.Burk@nasa.gov

NASA SSC Overview

Laboratory Services Contract

- A2 Research (WOSB, 8(a))
 - Firm Fixed Price Contract
 - Current Period of Performance runs through April 30, 2012
 - Total Term of contract: 5 years through April 30, 2015
 - Supplies SSC's Laboratory services including:
 - Gas, materials, environmental lab analysis
 - Maintenance of measurement standards and calibration and repair
 - Specialized technical, business and administrative systems services and related operations
- Point of Contact:
 - Al Watkins
 - Email: Al.E.Watkins@nasa.gov

NASA SSC Overview

Administrative/Clerical Support Services Contract

- Patriot Technologies (WOSB, 8(a))
 - Firm Fixed Price Contract
 - Current Period of Performance runs through November 22, 2011
 - Total Term of contract: 5 years through November 22, 2013
 - Supplies SSC's administrative and clerical support services

- Point of Contact:
 - Lori Huthoefer
 - Email: lori@patriot-technologies.com

NASA SSC Overview

Upcoming Opportunities at SSC

- **Reference Number: NOA-RFI-NNS12ZDA001L: NOTICE OF AVAILABILITY AND REQUEST FOR INFORMATION SEEKING POTENTIAL INDUSTRY INTEREST AND USE FOR SOME NASA STENNIS SPACE CENTER FACILITIES**
 - NASA Stennis Space Center (SSC) is seeking to identify potential industry interest in an agency real property asset located at SSC. This announcement describes a NASA interest in finding partners for use of the E-4 Test Facility.
 - Pending the level of interest, a site visit will be conducted on January 12, 2012.
 - John E. Stealey Title: SSC Engineering and Test Directorate Associate Director
Phone: 228-688-2236
Fax: 228-688-7854
Email: john.e.stealey@nasa.gov

NASA SSC Overview

Upcoming Procurement Opportunities at SSC for FY 2012

- **Construction:**

- A3 Elbow Cooling Water Piping
- Multiple Award Construction Indefinite Delivery Indefinite Quantity (IDIQ) Contracts
- B Stand Liquid Hydrogen Dock Phase II
- Rehab of B-1 Test Stand & Facility
- B-2 Facility Restoration
- A-2 Conversion & Preparation for Space Launch System (SLS)
- Repairs to Electrical Systems Unit Substations
- Upgrades to Potable Water System
- Rehab Canal System Spillway
- Upgrades to Energy & Environment

- **Services**

- Grounds Maintenance Contract

NASA SSC Overview

- Stennis Business Consortium
 - SSC Resident Agencies and Prime Contractors
 - Quarterly Meetings
- Monthly Small Business Joint Counseling Sessions with FOSC contractor
 - Held the 3rd Thursday of the Month

NASA SSC Overview

- **Contact Us:**

- **Procurement POC:** Michelle M. Stracener
Small Business Specialist
 - Telephone: (228) 688-1720
 - Fax: (228) 688-6024
 - Email: michelle.m.stracener@nasa.gov

- **Technical POC:** Thomas Stanley
Small Business Technical Advisor
 - Telephone: (228) 688-7779
 - Fax: (228) 688-1208
 - Email: thomas.m.stanley@nasa.gov
