

FIT EXPLORER WEEKLY POINT TRACKER

Students will individually obtain and report both a cumulative Activity Total and a Research Total from their Mission Log(s) to the Educator. The Educator will record the reported totals on the Fit Explorer Weekly Point Tracker and transfer the Weekly Point Tracker Group Point Total to the Fit Explorer Challenge Tracker every week to keep track the group's progress throughout the Fit Explorer Challenge. *Continue to print out new Fit Explorer Weekly Point Trackers each week you wish to have students participate in the Fit Explorer Challenge.*
