

# SUMMARY RECOMMENDATIONS

# Summary Recommendations

---

*In collaboration with JIMDAT members, develop . . .*

## ■ Section C

- MEL
- Training
- Procedures
  - (Perhaps several such as Approach, Ground Operations, and Cruise)
- Aircraft automation and flight crew interface
  - (Other sources may be a better source of info on this topic)
- Cargo vs. Passenger Operations

## Section B

- Mine available data
- Develop selective drill-downs or parallel questions to address JIMDAT requirements.
