following activities pertaining to the Subject Software:

1. Use

C. The rights granted under Paragraph B. also apply to the combination
of a Contributor's Modification and the Subject Software if, at the

such Modification causes the combination to be covered by the Covered
Patents. It does not apply to any other combinations that include a
Modification.

D. The rights granted in Paragraphs A. and B. allow the Recipient to
sublicense those same rights. Such sublicense must be under the same
terms and conditions of this Agreement.

3. OBLIGATIONS OF RECIPIENT

A. Distribution or Redistribution of the Subject Software must be made
under this Agreement except for additions covered under paragraph 3H.

1. Whenever a Recipient distributes or redistributes the Subject
Software, a copy of this Agreement must be included with each copy
of the Subject Software; and
2. If Recipient distributes or redistributes the Subject Software in
any form other than source code, Recipient must also make the
source code freely available, and must provide with each copy of
the Subject Software information on how to obtain the source code
in a reasonable manner on or through a medium customarily used for
software exchange.

B. Each Recipient must ensure that the following copyright notice
appears prominently in the Subject Software:

[Government Agency will insert the applicable copyright notice in each
agreement accompanying the initial distribution of original software
and remove this bracketed language.]

States under Title 17, U.S.Code. All Other Rights Reserved.

C. Each Contributor must characterize its alteration of the Subject
Software as a Modification and must identify itself as the originator
of its Modification in a manner that reasonably allows subsequent
Recipients to identify the originator of the Modification. In
fulfillment of these requirements, Contributor must include a file
(e.g., a change log file) that describes the alterations made and the
date of the alterations, identifies Contributor as originator of the
alterations, and consents to characterization of the alterations as a
Modification, for example, by including a statement that the
Modification is derived, directly or indirectly, from Original
Software provided by Government Agency. Once consent is granted, it
may not thereafter be revoked.

D. A Contributor may add its own copyright notice to the Subject
Software. Once a copyright notice has been added to the Subject Software, a Recipient may not remove it without the express permission of the Contributor who added the notice.

E. A Recipient may not make any representation in the Subject Software or in any promotional, advertising or other material that may be construed as an endorsement by Government Agency or by any prior Recipient of any product or service provided by Recipient, or that may seek to obtain commercial advantage by the fact of Government Agency's or a prior Recipient's participation in this Agreement.

F. In an effort to track usage and maintain accurate records of the Subject Software, each Recipient, upon receipt of the Subject Software, is requested to register with Government Agency by visiting the following website: ______________________________. Recipient's name and personal information shall be used for statistical purposes only. Once a Recipient makes a Modification available, it is requested that the Recipient inform Government Agency at the web site provided above how to access the Modification.

[Alternative paragraph for use when a web site for release and monitoring of subject software will not be supported by releasing Government Agency] In an effort to track usage and maintain accurate records of the Subject Software, each Recipient, upon receipt of the Subject Software, is requested to provide Government Agency, by e-mail to the Government Agency Point of Contact listed in clause 5.F., the following information: ______________________________. Recipient's name and personal information shall be used for statistical purposes only. Once a Recipient makes a Modification available, it is requested that the Recipient inform Government Agency, by e-mail to the Government Agency Point of Contact listed in clause 5.F., how to access the Modification.

G. Each Contributor represents that that its Modification is believed to be Contributor's original creation and does not violate any existing agreements, regulations, statutes or rules, and further that Contributor has sufficient rights to grant the rights conveyed by this Agreement.

H. A Recipient may choose to offer, and to charge a fee for, warranty, support, indemnity and/or liability obligations to one or more other Recipients of the Subject Software. A Recipient may do so, however, only on its own behalf and not on behalf of Government Agency or any other Recipient. Such a Recipient must make it absolutely clear that any such warranty, support, indemnity and/or liability obligation is offered by that Recipient alone. Further, such Recipient agrees to indemnify Government Agency and every other Recipient for any liability incurred by them as a result of warranty, support, indemnity and/or liability offered by such Recipient.

I. A Recipient may create a Larger Work by combining Subject Software
with separate software not governed by the terms of this agreement and
distribute the Larger Work as a single product. In such case, the
Recipient must make sure Subject Software, or portions thereof,
included in the Larger Work is subject to this Agreement.

J. Notwithstanding any provisions contained herein, Recipient is
hereby put on notice that export of any goods or technical data from
the United States may require some form of export license from the
U.S. Government. Failure to obtain necessary export licenses may
result in criminal liability under U.S. laws. Government Agency
neither represents that a license shall not be required nor that, if
required, it shall be issued. Nothing granted herein provides any
such export license.

INFRINGEMENT, ANY WARRANTY THAT THE SUBJECT SOFTWARE WILL BE ERROR
FREE, OR ANY WARRANTY THAT DOCUMENTATION, IF PROVIDED, WILL CONFORM TO
THE SUBJECT SOFTWARE. THIS AGREEMENT DOES NOT, IN ANY MANNER,

THE SUBJECT SOFTWARE RESULTS IN ANY LIABILITIES, DEMANDS, DAMAGES,
EXPENSES OR LOSSES ARISING FROM SUCH USE, INCLUDING ANY DAMAGES FROM
PRODUCTS BASED ON, OR RESULTING FROM, RECIPIENT'S USE OF THE SUBJECT
SOFTWARE, RECIPIENT SHALL INDEMNIFY AND HOLD HARMLESS THE UNITED

distribution of the Subject Software. All sublicenses to the Subject
Software properly granted by the breaching Recipient shall survive any
such termination of this Agreement.
