SUBJECT: Determination Regarding Attendance by NASA employees at the Space Transportation Association (STA) Luncheon on June 15, 2011

On June 15, 2011, the Space Transportation Association (STA), a nonprofit organization under 501(c)(6) of the Internal Revenue Code, will host a luncheon at the Rayburn Office Building in Washington, D.C. from 11:30 AM to 1:00 PM. STA member organizations that support STA activities include Aerojet, ATK, Honeywell, ITT, Lockheed Martin, Orbital, Paragon, Pratt & Whitney Rocketdyne, United Launch Alliance, United Space Alliance, and Wyle.

The luncheon will include a speech by Mark Uhran followed by a question and answer period. Approximately 300 people have been invited to attend from the White House, Congress, the media, the aerospace industry, and NASA, FAA, and DoD. The estimated cost of the luncheon, including all food and beverages, is \$25 per person. I find that the event meets the requirements of a "widely attended gathering" as defined in 5 C.F.R. § 2635.204(g)(2).

I further determine that there is an Agency interest in having NASA personnel attend the event because it will further Agency programs or operations. Attendance at the event will allow NASA attendees to exchange information regarding various NASA programs. Accordingly, NASA employees whose duties do not substantially affect the sponsors, including NASA employees in non-career positions who are required to sign the ethics pledge under Executive Order 13490, may accept an invitation for free attendance.

Moreover, NASA employees whose duties may substantially affect the STA or a majority of its members, such as by way of procurement duties, should seek an individual determination pursuant to 5 C.F.R. § 2635.204(g)(3)(i) regarding participation in this event from their local ethics counselor.
