NASA Marshall Space Flight Center

2012 Minorities In Science & Engineering (MISE) Summer Internship

May 29-August 3, 2012

The Minorities in Science & Engineering (MISE) Program is a collaborative effort between NASA Marshall Space Flight Center and local institutions including Alabama A&M University (AAMU), Oakwood University (OU), and the University of Alabama in Huntsville (UAH). The program is set to increase participation of minorities in the Science Technology, Engineering and Mathematics (STEM) disciplines. The MISE program includes a Summer Research Internship at NASA Marshall Space Flight Center followed by directed mentoring, and professional networking opportunities during the school year.

Stipend:

- Students will receive a \$5,000 stipend.
