

## Our Magnificent Sun Foldable

### Chapter Materials:

- 12x18 construction paper, 1 (one) sheet per student
- Copy of sun coloring sheet, 1 (one) per student
- Crayons or colored pencils
- Glue or tape
- Scissors

### Folder for Sun picture Materials:

- 9x12 construction paper, 1 (one) sheet per student
- Crayons or colored pencils
- Glue or tape

### Vocabulary Cards Materials:

- 9x12 construction paper, 1 (one) sheet per student
- Crayons or colored pencils
- Glue or tape

### Procedure - how to make the chapter:

- 1) Take 1 (one) sheet of 12x18 construction paper and fold into a trifold
  - a. With the paper lying lengthwise across the desk/table, take the right edge and fold into the middle so the edge meets the mid-line of the paper.
  - b. Repeat steps to create left side fold.
- 2) Distribute Sun coloring sheets to students. Allow students to color their sun and cut out image. Write "Our Magnificent Sun" in the center.
- 3) Glue or tape one half of the sun onto the front of the left panel of the trifold, allowing the other half to cover the opposite panel.

### Procedure – how to make the folder:

- 1) Taking one sheet of 9x12 construction paper, fold in half "hamburger" or "book" style. The opening will be at the top.
- 2) Using glue or tape, place folder on the bottom of the center panel in the trifold chapter.
- 3) Students may write "My picture of the Sun" on the front of the folder.

Procedure – how to make the vocabulary cards:

- 1) Take one sheet of 9x12 construction paper and fold in half “hot dog” style or lengthwise.
- 2) Cut the folded paper into 3 equal pieces, creating 3 cards.
