SUBJECT: Determination Regarding Attendance by NASA Employees at the Council on Foreign Relations (CFR), Global Access Pipeline, and International Career Advancement Program Reception on April 27, 2013

On April 27, 2013, the Council on Foreign Relations (CFR), Global Access Pipeline, a not-for-profit organization under Section 501(c)(3) of the Internal Revenue Service Code, will host a reception. The event will be held at CFR at 1777 F Street, N.W., in Washington, D.C., from 12 pm to 1:45 pm.

The purpose of this event is to bring together 200 students and professionals from diverse backgrounds for discussions on foreign policy, global skills building, networking, professional development, and engagement with senior foreign policy.

Approximately 200 people were invited to attend. Attendees will include congressional staff and other government officials, scientists, and friends of the institution. The estimated cost of the event, including all food and beverages, is around \$15.00 per person. I find that the event meets the requirements of a "widely attended gathering" as defined in 5 C.F.R. § 2635.204(g)(2). I further determine that there is an Agency interest in having NASA personnel attend the event because it will further Agency programs or operations. Attendance at the event will allow NASA attendees to exchange information on NASA's programs and policies. Accordingly, NASA employees whose duties do not substantially affect the sponsor, including NASA employees in non-career positions who are required to sign the ethics pledge under Executive Order 13490, may accept an invitation for themselves and an invited guest for free attendance to the event.

However, NASA employees whose duties may substantially affect the event sponsor, such as by way of procurement duties, should seek an individual determination pursuant to 5 C.F.R. §2635.204(g)(3)(i) regarding participation in this event from their local ethics counselor.
