

EVENT ANNOUNCEMENT
2013 NASA Cost Symposium:
Jet Propulsion Laboratory
Pasadena, CA
August 27-29th, 2013

The NASA Cost Community invites you to attend our 2013 NASA Cost Symposium. The Symposium will be held at JPL in Pasadena, CA.

The Cost Analysis Division sponsors an annual NASA Cost Symposium to bring together the entire estimating and analysis community at NASA. The NASA cost analysis community includes all Centers as well as HQ and represents an essential function to the agency.

- Symposium Dates: 27th – 29th August, 2013
- Location: Jet Propulsion Laboratory
 - 4800 Oak Grove Drive, Pasadena, California 91109
 - Building 321, Auditorium
- Event Website: <http://www.nasa.gov/offices/ooe/Symposium.html>
- Event POC: james.k.johnson@nasa.gov

Additional details regarding the event including the Call for Papers, maps, registration, hotel listings, and information for NASA employees can be found on the event website.

The format for the Symposium is traditional paper and presentation in a professional forum setting. Speakers and presenters will be given the opportunity to demonstrate and share their work with colleagues and professionals from the estimation and analysis community.

Members of the NASA estimating and analysis community, support contractors, prime contractors, academia, and from other government agencies are encouraged to attend.

Individuals interested in presenting at the event are encouraged to review our Call for Papers located on the event website.
