

field trip experience - 3rd grade

www.nasa.gov

Cater your field trip experience by focusing on these NextGen standard-aligned exhibits and activities!

Third Grade:

Ames Spacecraft Missions

(3-PS2-2): The IRIS Mission studies a very dynamic region of the Sun in the hopes of learning how this region affects space weather and our Earth! Learn about this mission and more!

Uniview Staff-Led

Presentation, check the Daily

Activities *(3-ESS2-2)*: Our Solar System is a fascinating place. Learn about NASA spacecraft missions to different planets with this presentation using real NASA imagery!

Take NASA into Your Classroom!

NASA Ames Research Center is now offering Field Trip in a Box activities, a resource for teachers to take standard-aligned activities into your classroom!
