2012 Lunabotics Mining Competition Teams

United States Teams:

ASU Lunabotics

Arizona State University

AUbotics

Auburn University

Team BEAR

California State University, Chico

Green Dynamite

California State University, Sacramento

Mines Moon Diggers

Colorado School of Mines

Moon π

Embry-Riddle-Aeronautical University, Daytona Beach

Hexcavator

FAMU/FSU College of Engineering

Pandia

Florida Institute of Technology

FIU Lunabotics

Florida International University

LunaCY

Iowa State University collaborating with Wartburg College

Moon Shredders

ITT Technical Institute

Eaglenauts

John Brown University

Miami Lunabotics

Miami University

Raider Robotics

Middle Tennessee University

Regolith Raiders

Milwaukee School of Engineering

The Moon Pirates

Modesto Junior College

Disgruntled Martians

Monroe Community College

Montana ALE

Montana State University– Bozeman

Montana Tech Lunabotics

Montana Tech of the University of Montana

Aggie Lunabotics Team

New Mexico State University

Atlas

Polytechnic University of NYU

SDSM&T Moonrockers

South Dakota School of Mines and Technology

Owlstronauts

Temple University

Nutz and Bolts

Texas A&M International University

TAMU-CC Sandpipers

Texas A&M University Corpus Christi

S.T.E.V.E

The University Akron

Alabama Lunabotics: Team NASACAR

The University of Alabama collaborating with Shelton State College

49er Lunatics

The University of North Carolina at Charlotte

UTPA Broncs

The University of Texas Pan American

Space Hogs

University of Arkansas

Illinois Robotics in Space (IRIS)

University of Illinois at Urbana-Champaign

Red Rover

University of Nebraska-Lincoln

UNH LunaCats

University of New Hampshire

RAPTOR

University of North Dakota

UNF Ospreys

University of North Florida

UP Robotics

University of Portland

LARR-E

Virginia Tech

Mountaineers

West Virginia University

International Teams:
Colombian Teams:
  SPIICA 2
    Instituto de Astrobiologia Colombia
  ROBOCOL
    Universidad de los Andes

Bangladesh Teams:
  BRACU ChondroBot
    BRAC University
  Bangla-Bot
    Islamic University of Technology
  MIST Lunabotics Team
    Military Institute of Science and Technology

Canadian Teams:
  NASA Lunabotics Team
    Concordia University
  Laurentian Lunabotics
    Laurentian University
  Lunarex
    McGill University
  York University Rover Team
    York University

Indian Teams:
  Gurutva
    Birla Institute of Technology, Mesra

  Team ILLUMNATI
    GITAM University
  JAIPUR NATIONAL UNIVERSITY
    JAIPUR NATIONAL UNIVERSITY
   ANANT
    KIRORI MAL COLLEGE
   ChandraRath
    MPSTME, NMIMS
   STEER
    Saveetha University
  CHANDRANVESHAK– The Moon Investigators
    Shri Shankaracharya Group of Institutions, Bhilai
  Dvigesh Ki Anirudha Vahan
    Srinivasan Engineering College

Mexican Team:
   LUNABOTICS UAM TEAM
      Universidad Autónoma Metropolitana

Romanian Team:
   COANDA TEAM
      Politechnica University of Bucharest

South Korean Team:
   Team CEIL
      Hanyang University

2011 Lunabotics Mining Competition Teams
(official mining competition teams only)

United States Teams:
ALEX
   Auburn University
Mile High Miners
   Colorado School of Mines
Moon π
   Embry-Riddle Aeronautical University, Daytona Beach Campus
LAR-E (Lunar All-terrain Regolith Excavator)
   Embry-Riddle Aeronautical University, Prescott Campus
The HEXCAVATOR Project
   Florida State University
ISU Lunabotics - Team LunaCY
   Iowa State University
Henderson Moon Shredders
   ITT Technical Institute
Golden Eagles
   John Brown University
R&T Robotics Team
   Middle Tennessee State University, collaborating with Tennessee State University
Montana MULE 2.0
   Montana State University
Montana School of Mines
   Montana Tech at The University of Montana
Aggies Lunabotics Team

New Mexico State University

HOPE

Oakton Community College

NYU-Poly Atlas

Polytechnic Institute of New York University

SDSM&T Moonrockers

South Dakota School of Mines and Technology

Lunar Solutions

Temple University

PV Mechatronics

Texas A&M University at Prairie View

Alabama Lunabotics

University of Alabama

Dust Devil

University of Akron, collaborating with Elon University

Space Hogs

University of Arkansas - Fayetteville

NMIMS-UH Space Miners

University Of Houston, collaborating with NMIMS, India

Illinois Robotics In Space (IRIS)

University of Illinois at Urbana-Champaign

LunaCats

University of New Hampshire

49er Luna Miners

University of North Carolina in Charlotte

Raptor

University of North Dakota

University of Portland Robotics

University of Portland

Lunar Ash Borers

University of Southern Indiana

Virginia Tech

Virginia Polytechnic Institute and State University

Mountaineers

West Virginia University

A.R.T.E.M.I.S.

Western Kentucky University

International Teams

Bangladesh Team:
BRACU ChondroBot
  BRAC University

Canada Teams:
Production
  Laurentian University
McGill LunarEx Team
  McGill University

Columbia Team:
RoboCol
  Universidad de los Andes

India Teams:
Gurutva
  Birla Institute of Technology, Mesra
The Illuminati
  GITAM University, collaborating with National Institute of Technology Warangal, Vignan Institute Of Information

2010 Lunabotics Mining Competition Teams
(official mining competition teams only)

Team Pumpernickel
  Auburn University
Moon Rediggers
  Carnegie Mellon University/ Hampton University
Colorado School of Mines Lunabotics
  Colorado School of Mines
TEAM AETHER
  Embry Riddle Aeronautical University – Daytona Beach Campus
The Invading Huns
   Florida Institute of Technology
The ARTEMIS Project
  Florida State University/Florida A & M University

Team LunaCY
  Iowa State University
Eagles

John Brown University

Luna Baggers
Milwaukee School of Engineering

Montana M.U.L.E.
Montana State University

X-CAVATOR
Prairie View A & M University

SDSMT Moonrockers
South Dakota School of Mines and Technology

Temple Robotics
Temple University

PiRATE (Piloted Robotic All-Terrain Excavator)
University of Akron

Roll Tide Robots
University of Alabama

Razorvators
University of Arkansas

UB Excavator
University of Bridgeport

UNC Charlotte NASA Robotics Team
University of North Carolina-Charlotte

Team Raptor
University of North Dakota School of Engineering & Mines

iDigU
University of Southern Indiana

Virginia Tech Lunabotics
Virginia Tech

A.R.T.E.M.I.S.
Western Kentucky University
