

field trip experience - 6th grade

[www.nasa.gov](http://www.nasa.gov)

**Cater your field trip experience by focusing on these NextGen standard-aligned exhibits and activities!**

**Sixth Grade:**

**Science on a Sphere** (*MS-ESS2-2, MS-ESS2-3, MS-ESS3-4*):

The movement of the Earth's crust has a high impact on all of us. Shifts in tectonic plates not only cause shaking on land, but earthquakes the ocean can create tsunamis. Get a fresh perspective of with Science on a Sphere!

**Ames Spacecraft Missions**

(*MS-ESS1-3*): The IRIS Mission studies a very dynamic region of the Sun in the hopes of learning how this region affects space weather and ours on Earth! Learn about this mission and many more!

**Take NASA into Your Classroom!**

NASA Ames Research Center is now offering Field Trip in a Box activities, a resource for teachers to take standard-aligned activities into your classroom!
