

# Astronomy and Night Sky Summer Series

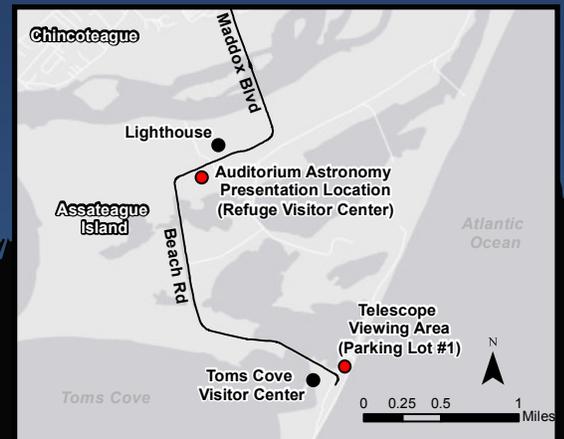

**FREE**

**FAMILY FUN**

Discover the night sky from Assateague Island! Each series will begin with an auditorium presentation followed by stargazing with telescopes and binoculars (weather permitting).

July 16  
July 30  
August 13  
August 27

## Time and Locations

7:30 p.m. – 8:30 p.m.

**Astronomy 101 Presentation**

**Herbert H Bateman Education Center Auditorium**

(Limited space available; first come first serve; rain or shine)

8:45 p.m. – 9:45 p.m.

**Night Sky Observations through telescopes and binoculars at the north end of Parking Lot #1**

(Subject to cancellation due to inclement weather; refuge closes at 10 p.m.)

This series is free and open to the public, however park entrance fees still apply. For entrance fee information visit [www.fws.gov/refuge/Chincoteague/visit/fees.html](http://www.fws.gov/refuge/Chincoteague/visit/fees.html)

For more information visit [www.nasa.gov/centers/wallops/visitorcenter](http://www.nasa.gov/centers/wallops/visitorcenter) or call 757-824-1344

Optional Items to Bring: binoculars, a red light, and insect repellent.

This series is presented as a collaboration between Assateague Island National Seashore, Chincoteague National Wildlife Refuge, and NASA Wallops Flight Facility Visitor Center. The Delmarva Space Sciences Foundation will provide expertise and telescope viewing of the night sky.
