Francisco "Frank" Rubio (M.D.) (Lt. Colonel, U.S. Army) NASA Astronaut

Summary:

Dr. Frank Rubio was selected by NASA to join the 2017 Astronaut Candidate Class. He reported for duty in August 2017 and having completed the initial astronaut candidate training is now eligible for a mission assignment. The Florida native graduated from the U.S. Military Academy in 1998 and earned a Doctorate of Medicine from the Uniformed Services University of the Health Sciences in 2010. Prior to attending medical school, he served as a UH-60 Blackhawk helicopter pilot and flew more than 1,100 hours, including more than 600 hours of combat and imminent danger time during deployments to Bosnia, Afghanistan, and Iraq. Dr. Rubio is a board certified family physician and flight surgeon. At the time of his selection, he was serving in the 10th Special Forces Group (Airborne) at Fort Carson, CO.

Personal Data:

Dr. Rubio was born in Los Angeles, California, but considers Miami, Florida, his hometown. He is married to Deborah Rubio, and the couple has four children.

Education:

Graduated from Miami Sunset Senior High School in Miami, Florida. Earned a bachelor's degree in International Relations from the United States Military Academy at West Point, New York. Earned a Doctorate of Medicine from the Uniformed Services University of the Health Sciences in Bethesda, Maryland. Family Medicine Residency at Martin Army Community Hospital, Fort Benning, Georgia.

Experience:

Frank was a member of the West Point Parachute Team, the "Black Knights". He is a Jumpmaster with over 650 freefall skydives, PRO-rating, and D-license holder. He served as a platoon leader in A Company, 2-82nd Assault Aviation (REDHAWKS), and as a company commander in A Company, 2-3rd Aviation (STORM). Dr. Rubio also served as a clinic supervisor, an executive medicine provider and a flight surgeon at Redstone Arsenal, Alabama. At the time of his selection in June 2017, he was a battalion surgeon for the 3rd Battalion of the 10th Special Forces Group (Airborne) in the U.S. Army.

NASA Experience:

Dr. Rubio reported for duty in August 2017 and completed two years of training as an Astronaut Candidate. He is currently awaiting flight assignment.

Awards/Honors:

Dr. Rubio has been awarded the Bronze Star (second award), Meritorious Service Medal (second award), Air Medal, Army Commendation Medal (fourth award), and Army Achievement Medal (fourth award). He is a graduate of the
