Floor Space

- 1. Floor Space Management: Per Section 2.16 of the SOW, FDOC will provide support for management of floor space. This includes approximately* 3000 people and 1 million square feet of floor space.**
- 2. Floor Space Availability: There are currently approximately 100 SPOC training facilities personnel housed onsite in Buildings 4S, 5N and 5S. There are approximately 280 MSOC personnel in the Building 30 complex. Those numbers include personnel on different shifts who share workspace. It is expected that a similar amount of floor space will be available for use by FDOC, if needed.**

* Approximately means +/- 10%.
