

NASA's Space Launch System (SLS)

# SPACE LAUNCH SYSTEM

## M E E T T H E R O C K E T

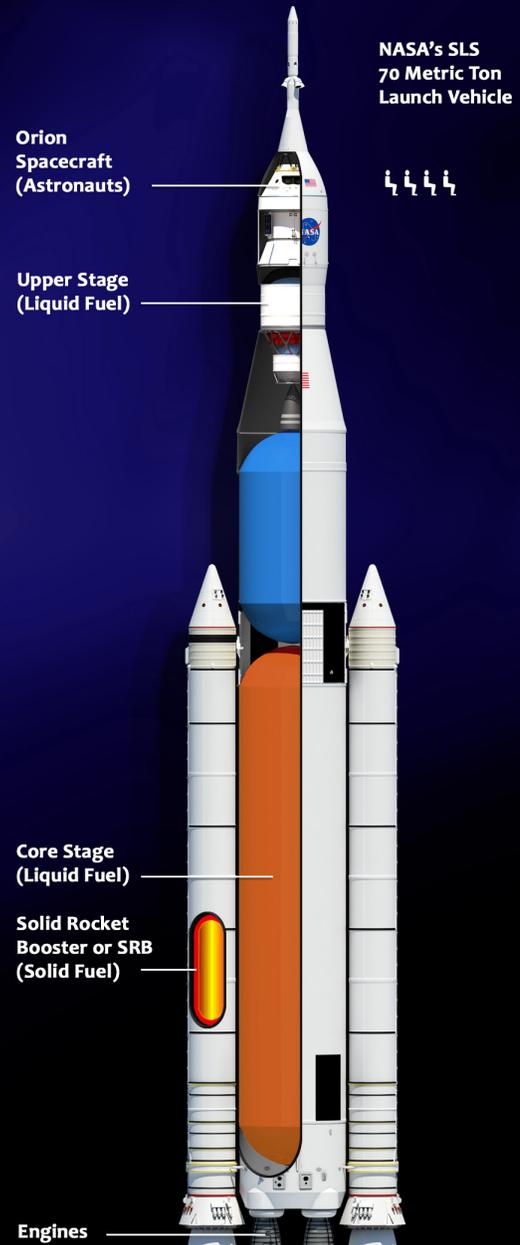

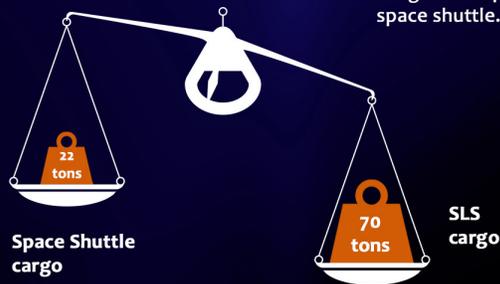

If you wonder how NASA's Space Launch System, or SLS, compares to earlier generations of NASA launch vehicles...

SLS will produce 8% more thrust at launch than the space shuttle and 12% more than the Saturn V.

SLS will launch more than three times as much weight into space as the space shuttle.

#SLSinspires #JourneyToMars

NASA's Space Launch System will take astronauts and science experiments farther into space than ever before.
