Appendix O: Cost Estimating References

This appendix provides additional references that may be of use to the cost estimator. The NASA Online Directives Information System (NODIS) ([http://nodis.hq.nasa.gov/displayDir.cfm?t=NPD&c=1001&s=0](http://nodis.hq.nasa.gov/displayDir.cfm?t=NPD&c=1001&s=0)) should be the first stop for NASA policies, procedures, and guidelines.
