

# International Space Station Research

## ▲ Resource and Information List ▼

### MOST CURRENT INFO

**Subscribe** to the International Space Station (ISS) [Program Science listserv](#) to receive weekly emails with compelling stories about important ISS Research conducted each day

**Read** the info-rich International Space Station [Research & Technology page](#) and [main ISS site](#)

**Expand** your International Space Station Research horizons with [A Lab Aloft blog's](#) unique perspective

**Cover** the week's International Space Station news in the [Space to Ground web video series](#)

**Get** a knowledgeable dose of the daily International Space Station [On-Orbit Status Report](#)

### SOCIAL MEDIA

**Follow** timely International Space Station Research updates on [Twitter](#), [Facebook](#), and [Instagram](#)

### BENEFITS

**Embrace** the International Space Station Research [Benefits for Humanity](#) in video and print formats

### HOW-TO FOR RESEARCHERS

**Learn** the [How to Get Research On ISS - Process](#), or refer those researchers who may be interested

**Obtain** each of the [ISS Researcher's Guide Series books](#) available for download by research discipline

**Know** the International Space Station [research](#) and [funding](#) opportunities available to scientists

**Attend** the informative and enlightening [Annual ISS Research and Development Conference](#)

**Need** International Space Station Research assistance? Email: [ISS Research Helpline](#) or call: 281-244-6187

### OPPORTUNITIES

**Explore** International Space Station [student](#) and [educator](#) opportunities and activities

**Spot** the International Space Station flying over your town...learn exactly [where and when](#)

**Communicate** with the ISS crew via [ARISS: Amateur Radio on the International Space Station](#)

**Take** pictures of Earth from the International Space Station with the [Sally Ride EarthKAM](#)

### COOL RESOURCES

**Access** the [ISS Research Media Toolkit](#), a wealth of resources for comm/outreach activities and venues

**Discover** [where above Earth](#) your International Space Station is [orbiting right now](#)

**Take** in the International Space Station big picture with this all-encompassing [infographic](#)

**Examine** an [assembly animation](#) of the International Space Station coming together

### RESULTS

**Comprehend** the Top 10 Research Results from the International Space Station: [Video 1](#), [Video 2](#), and [Print](#)

**Familiarize** yourself with the growing list of ISS Research [results publications](#)

### EXPERIMENTS

**Browse** the vast array of research [experiments](#) operating on, operated on, or planned for ISS

### INCREDIBLE IMAGERY

**Marvel** at the [High-Definition Earth Viewing Experiment \(HDEV\)](#) and real-time ISS location

**See** the International Space Station in a unique way via [Photosynths](#)

**Delve** into the [Gateway to Astronaut Photography of Earth](#)

## NATIONAL LAB

**Understand** about the International Space Station [National Laboratory](#) and [CASIS](#) managing organization  
**Peruse** the [multidisciplinary lab facilities and equipment](#) available to support ISS National Lab research ops

## ONBOARD VIDEO TOURS

**Tour** all around inside your International Space Station with [Astronaut Suni Williams](#)  
**Brace** for a [whirlwind introduction](#) to the International Space Station and onboard research  
**Watch** a first-hand tour of the International Space Station's Research [facilities](#) with Astronaut Ron Garan

## OTHER AMAZING VIDEOS

**Distinguish** among the [various research racks](#) supporting the multitude of science experiments on ISS  
**Experience** NASA's story/mission via [video interviews, features, profiles, updates, and more](#)  
**Catch** [live video from inside and outside](#) the International Space Station on UStream  
**Study** the components of [rodent research in microgravity](#) aboard the International Space Station  
**Voyage** *Further Up Yonder: [A Message from ISS to All Humankind](#)*  
**Bask** in *The World Outside My Window--[Time Lapse of Earth from ISS](#)* (by David Peterson)  
**Enjoy** [Walking in the Air](#) with time-lapse photos of Earth from the International Space Station  
**Delight** in [What Kind of World Do You Want?](#) featuring your International Space Station

## 15 YEARS OF ISS

**View** 15 Years of International Space Station [Highlights \(video\)](#)
