

ARC SpaceShop

Civil Servants Consent

I, _____, recognize that in handling power equipment and tools in the ARC SpaceShop, a risk of injury exists, a risk that includes but is not limited to physical harm. NASA ARC has taken steps to minimize the risks I may experience while operating the power equipment and tools in the ARC SpaceShop facility. The SpaceShop Manager and Safety Officer will require that my participation in any activity involving the use of any tools and equipment will be subject to mandatory safety briefings, training, and monitoring.

In the event of physical injury resulting from my participation in the ARC SpaceShop, NASA will provide or cause to be provided, immediate necessary action or treatment. Any follow-on medical treatment that may be required shall be administered by my personal care physician, and at my personal expense. NASA will pay for any valid claims of injury, loss of life or property damage to the extent required by the Federal Employees Compensation Act (5 U.S. Code Chapter 81 as amended) or the Federal Tort Claims Act (28 U.S.C. § 2675, as amended).

The ARC SpaceShop facility is for the hands-on development of functional prototypes and working models and shall not be used for personal or commercial projects. In addition, I agree to comply with all rules as stated in the "ARC SpaceShop Safety and Shop Rules," Form SS-001.

Collaborative activities performed in the SpaceShop are entered into and conducted in accordance with the National Aeronautics and Space Act, as amended (51 U.S.C. 20102(d) and 20113(e)).
