

NASA IV&V Facility Modification Request

All tenant proposed modifications to the NASA IV&V Facility (buildings, utilities, site work, etc.) must be submitted for approval using this form. Proposed modifications will be reviewed and, if approved, designed to ensure compliance with building codes and NASA standards for construction.

Please complete this form and forward detailed requirements for any request for NASA IV&V Facility modifications to Donna.S.Ozburn@nasa.gov and David.P.Sheldon@nasa.gov. Please attach to this form:

- A copy of a Microsoft Visio or Adobe PDF drawing showing the location(s) of the requested facility modification
- A schedule for the modifications with requested date(s) for completion
