BETWEEN
THE NATIONAL AERONAUTICS AND SPACE ADMINISTRATION
AMES RESEARCH CENTER
AND
LOCKHEED MARTIN SPACE SYSTEMS COMPANY-MISSILES AND SPACE
SUNNYVALE OPERATION
FOR COMMERCIAL SATELLITE SHIPMENTS THROUGH MOFFETT FEDERAL
AIRFIELD

Lockheed Martin Space System Company-Missiles and Space Operations (hereinafter "LMSSC-MSSO" or "Participant") and the National Aeronautics and Space Administration (hereinafter "NASA") executed a Reimbursable Space Act Agreement on January 23, 2001, as amended by Modification One, effective September 30, 2006 (collectively the "Original Agreement"), for commercial satellite shipments through Moffett Federal Airfield. Each capitalized term used in this Modification, but not defined herein, shall have the meaning ascribed to it in the Original Agreement.

Effective as of the last signature below, NASA and Participant hereby agree to extend the duration of the Original Agreement, which expires on September 30, 2011, for an additional five (5) years. Therefore, the expiration date of the Original Agreement is hereby changed September 30, 2016.

The purpose of the extension is to continue activities begun under the Original Agreement, and to modify the following section:

2. Key Personnel

Article 2 of the Original Agreement is modified to reflect current key personnel, contact information, and principal place of business address as follows:

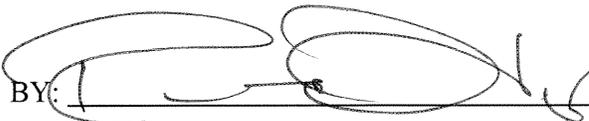

Participant:
