11. GENERAL PROVISIONS (Complete blank spaces and add additional general provisions as appropriate; e.g., exceptions to printed provisions, additional parties to this agreement, billing and reimbursement instructions.)

a. The receiving components will provide the supplying component projections of requested support. (Significant changes in the receiving component's support requirements should be submitted to the supplying component in a manner that will permit timely modification of resources requirements.)

b. It is the responsibility of the supplying component to bring any required or requested change in support to the attention of

prior to changing or canceling support.

c. The component providing reimbursable support in this agreement will submit statements of costs to:

d. All rates expressing the unit cost of services provided in this agreement are based on current rates which may be subject to change for uncontrollable reasons, such as legislation, DoD directives, and commercial utility rate increases. The receiver will be notified immediately of such rate changes that must be passed through to the support receivers.

e. This agreement may be cancelled at any time by mutual consent of the parties concerned. This agreement may also be cancelled by either party upon giving at least 180 days written notice to the other party.

f. In case of mobilization or other emergency, this agreement will remain in force only within supplier's capabilities.
