PART 2. Commander Moonkin on the Run!

After the first Space Black is shot down, Commander Moonkin is left with a daunting task: to save Earth from the Xamari. With the help of a mysterious new friend, the duo must navigate the treacherous landscape of Earth's moon.

At the space station, Moonkin and the Xamari are facing off in a fierce battle. With the help of his friend, Moonkin manages to destroy the Xamari ship, freeing the Earth from its deadly threat.

About the first page, a scene of action and adventure. The characters are in a紧张的情境, capturing the excitement and suspense of the story.

“Wow, that was close!”

The Xamari are defeated, and the Earth is saved. But Moonkin knows that his journey is far from over. He must continue to fight for peace and justice in the universe.

A giant flying saucer lands, and Moonkin is greeted by a group of strange beings. They introduce themselves as the guards of the galaxy and offer to help Moonkin on his mission.

Mr. Johnson is a professor at the University of3.

This page is filled with mystery and excitement, as the characters face new challenges and obstacles.

The End.
