"Welcome back to the RT and \_\_\_\_\_ Show! We welcome you to an entity of mystique, grandeur, and

[adjective]

You roll your eyes \_\_\_\_\_. "Come on RT, you're not \_\_\_\_\_," you say.  
[adverb] [celebrity/TV host]

RT is \_\_\_\_\_ you with maintenance today, and he follows you around

\_\_\_\_\_ on the Moon. Do you think someone's already done that?" I observe  
[sport]

a small tear in the side of an outside wall as he picks up a \_\_\_\_\_ on the

ground. "Do you think I could use this as a \_\_\_\_\_?"  
[piece of sports equipment]

Suddenly, RT picks up and \_\_\_\_\_ a small piece of Moon rock. It ricochets \_\_\_\_\_ off a/an \_\_\_\_\_

[adjective] [preposition]

"\_\_\_\_\_! I just wanted to see if I'd be a good \_\_\_\_\_. I didn't mean to break anything.  
[interjection] [sports position]

Oops," RT says, looking \_\_\_\_\_.  
[adjective]

"Yeah, well, next time RT, try to use your \_\_\_\_\_! You're lucky it's only a minor

[number > 1] [emotion]

him doing that, and you start patching up the \_\_\_\_\_ crack RT made  
[adjective]

with some \_\_\_\_\_. RT begins \_\_\_\_\_ another rock with  
[noun] [verb ending in -ing]

his wheel as he waits for you to finish. "The crack kind of looks like

a/an \_\_\_\_\_! Or wait, a/an \_\_\_\_\_? No, no, it's definitely  
[animal] [vegetable]

a/an \_\_\_\_\_."  
[noun]

Just as you finish patching the first crack, you hear a \_\_\_\_\_.  
[onomatopoeia]

"Oops," RT says as you see another crack on the wall behind you.
