**12. PUBLIC RELEASE** Any information (classified or unclassified) pertaining to this contract shall not be released for public dissemination except as provided by the Industrial Security Manual unless it has been approved for public release by appropriate U.S. Government authority. Proposed public releases shall be submitted for approval prior to release

Direct  Through (Specify)

NASA Goddard Space Flight Center, Office of Public Affairs, Code 130, Greenbelt, MD 20771

CC To the Public Affairs Division, NASA Headquarters, Washington, D.C. 20546 for review.

**13. SECURITY GUIDANCE.** The security classification guidance needed for this classified effort is identified below. If any difficulty is encountered in applying this guidance or if any other contributing factor indicates a need for changes in this guidance, the contractor is authorized and encouraged to provide recommended changes; to challenge the guidance or the classification assigned to any information or material furnished or generated under this contract; and to submit any questions for interpretation of this guidance to the official identified below. Pending final decision, the information involved shall be handled and protected at the highest level of classification assigned or recommended. (Fill in as appropriate for the classified effort. Attach, or forward under separate correspondence, any documents/guides/extracts referenced herein. Add additional pages as needed to provide complete guidance.)

In performance of this contract, some personnel may require access to classified information up to the TOP SECRET/SCI level. The Contractor must have sufficient number of cleared employees assigned duties under this contract to be able to complete all classified work assignment up to and including TOP SECRET/SCI.

### 13. Security Guidance (Continued)

Any employee, who observes or becomes aware of the deliberate or suspected compromise of, classified national security information shall promptly report such information personally to the GSFC Counter Intelligence (CI) Office. If unclassified but sensitive information appears compromised by or on behalf of foreign or domestic powers, organizations or persons, employees shall report such information to the GSFC CI Office. If an employee becomes aware of information pertaining to international or domestic terrorist activities, employees shall also report to the GSFC CI Office. If the information indicates a computer compromise or other cyber intrusion, the Office of Inspector General shall be promptly notified.

If an employee becomes aware of deliberate or suspected compromise of COMSEC keying material or equipment, the employee shall promptly report such information personally to the GSFC COMSEC Manager.

### 14. Additional Security Requirements (Continued)

This contract requires access to Sensitive Compartmented Information (SCI). SCI will only be released to contractor employees requiring access in order to perform within the scope of the contract and only after official verification of the appropriate clearance level has been obtained. Any SCI material furnished to the contractor will be returned to the direct custody of the agency having cognizance unless other disposition instructions have been issued.

The names of any additional employees requiring SCI clearance solely for the purpose of this contract will be provided to a designated contract monitor or the Contracting Officer's Technical Representative (COTR), who will verify and approve the request. After approval, the name will be provided to the GSFC Protective Services Division Program Security Official for coordination with the Contractor special Security Officer (CSSO). The CSSO shall submit a request for the investigation and clearance in accordance with the National Industrial Security Program Operating Manual and any additional instructions of the User Agency having cognizance.

Need-to-know verification for employees' classified visits to SCI facilities in the performance of this contract shall be obtained by the CSSO from the designated contract monitor, the COTR, or the GSFC Protective Services Division Program Security Official prior to submission or transmittal.

### 15. Inspections (Continued)

The SCIF Certifying Agency has exclusive security responsibility for all SCI material released or developed under this contract and held within the GSFC SCIF. DSS is relieved of security inspection responsibility for all such material but retains responsibility for all non-SCI classified material released to or developed under this contract.
