The purpose of this modification is to incorporate requisite contract clauses and list Government-Owned/Contractor-Held Property held off-site under the contract. Accordingly, the contract is modified as follows:

- 1. Under Section G, entitled "Contract Administration Data," Clauses G-8, G-9, and G-10 are incorporated as follows:
- G.8 GOVERNMENT PROPERTY ACCOUNTABILITY (ARC 52.245-96) (FEB 1997)

Section I Clause 1852.245-73, "Financial Reporting of Government-Owned/Contractor-Held Property," is applicable to the off-site property listed at Clause G.10, hereto.

(End of Clause)

- G.9 FINANCIAL REPORTING OF NASA PROPERTY IN THE CUSTODY OF CONTRACTORS (NFS 1852.245-73) (AUG 2001)
- (a) The Contractor shall submit annually a NASA Form (NF) 1018, NASA Property in the Custody of Contractors, in accordance with the provisions of 1845.505-14, the instructions on the form, subpart 1845.71, and any supplemental instructions for the current reporting period issued by NASA.
- (b)(1) Subcontractor use of NF 1018 is not required by this clause; however, the Contractor shall include data on property in the possession of subcontractors in the annual NF 1018.
- (2) The Contractor shall mail the original signed NF 1018 directly to the cognizant NASA Center Deputy Chief Financial Officer, Finance, unless the Contractor uses the NF 1018 Electronic Submission System (NESS) for report preparation and submission.
- (3) One copy shall be submitted (through the Department of Defense (DOD) Property Administrator if contract administration has been delegated to DOD) to the following address: Evelyn Warren, NASA Ames Research Center, M/S 255-2, Moffett Field, CA 94035-1000, unless the Contractor uses the NF 1018 Electronic Submission System (NESS) for report preparation and submission.
- (c) The annual reporting period shall be from October 1 of each year through September 30 of the following year. The report shall be submitted in time to be received by October 31. The information contained in these reports is entered into the NASA accounting system to reflect current asset values for agency financial statement purposes. Therefore, it is essential that required reports be received no later than October 31. The Contracting Officer may, in NASA's interest, withhold payment until a reserve not exceeding \$25,000 or 5 percent of the amount of the contract, whichever is less, has been set aside, if the Contractor fails to submit annual NF 1018 reports in accordance with 1845.505-14 and any supplemental instructions for the current reporting period issued by NASA. Such reserve

NAS2-02090 Modification No. 09

shall be withheld until the Contracting Officer has determined that the required reports have been received by NASA. The withholding of any amount or the subsequent payment thereof shall not be construed as a waiver of any Government right.

(d) A final report shall be submitted within 30 days after disposition of all property subject to reporting when the contract performance period is complete in accordance with (b)(1) through (3) of this clause.

## (End of clause)

The purpose of this modification is to: (1) include information in Section H of the contract for the purposes of clarifying the procedure for calculation of the contract award fee and (2) delete Item K, Performance Evaluation Plan, from Section J.1-List of Documents, Exhibits, and Attachments (ARC 52.211-90) (Feb 1997), in its entirety, from the contract.

As a result of the above, the following changes are made to the contract:

1. Paragraph H. 19 - Calculation of Award Fee, is added as follows:

## H.19 - Calculation of Award Fee

The maximum available award fee pool for each evaluation period will be established by assigning a maximum award fee amount of prior of the latest revised estimated total cost of each task order in effect for the respective award fee period and totaling the maximum award fee amounts assigned to all task orders in effect for the respective award fee period. The award fee earned for each evaluation period will be calculated by multiplying the maximum available award fee by the overall evaluation score converted to percent.
