

Modification to SAA2-400466  
REIMBURSABLE SPACE ACT AGREEMENT

BETWEEN

THE NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

AMES RESEARCH CENTER

AND

COLLINGS FOUNDATION

The Collings Foundation and the National Aeronautics and Space Administration (hereinafter "NASA") executed a Reimbursable Space Act Agreement (hereinafter "Agreement") on May 26, 2000 for the purpose of Bombers at Moffett Air Show Event.

The Collings Foundation and NASA hereby mutually agree to extend the duration of the Agreement which expires on May 26, 2001 for an additional 1 (one) year period effective one day following expiration date of the initial agreement. The purpose of the extension is to continue activities begun under the original agreement.

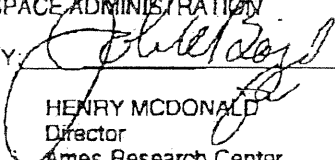

This modification solely affects the duration of the Space Act Agreement. All other terms and conditions of the Agreement shall continue in effect, as originally agreed, until the expiration of the Agreement, as extended herein.

In the event the agreement sought to be extended has expired, this agreement incorporates the provisions of the expired agreement by reference and keeps that agreement in effect for one year from the date of the last signature appearing below.
