TO: Employee/Applicant

1. The applications will be held in confidence and will be reviewed only by the Scholarship Committee. For your information, it is our practice to have someone from my staff review the applications for basic eligibility and then "sanitize" Parts A, B, C, and D of the Application Form and the transcripts (remove all identifications of names, address, etc.) before passing it to the Scholarship Committee for review. This helps us ensure that the Committee considers only the specified criteria in reaching its decisions.
2. If you have any questions concerning the application procedures, please contact Bradley Niese at bradley.j.niese@nasa.gov.
