Plum Brook Station Reference

Hydraulic Systems Reference

Approved by Plum Brook Management Office/7030:

**NASA - Glenn Research Center
Cleveland, OH 44135**

Glenn Research Center Plum Brook Station Reference	Title: Hydraulic Systems Reference	

Procedure Owner: Plum Brook Management Office
Point of Contact: Stan Roberts (419-621-3316)

Change Record

Rev.	Effective Date	Description
Initial	9/1/98	Initial Release

Glenn Research Center Plum Brook Station Reference	Title: Hydraulic Systems Reference	

1.0 INTRODUCTION

1.1 PURPOSE

This document outlines reference material to be used as a guide to engineer and design hydraulic systems.

1.2 Scope

This document covers all test sites and Engineering disciplines as applicable.

2.0 REFERENCES

2.1 Applicable Documents

Document Number	Document Title
Engineering Directorate	“Engineering Design Guide Volume #2 Fluid Systems”
ISBN: 0963416200	“Vicker Industrial Hydraulics Manual” 3 rd edition, November 1996
	“Hydraulic Standard” S.Kihara, September 19, 1996
ISBN 1-55769-018-9	“Design Engineers Handbook”, Parker Bulletin 0224-B1 Parker
	Hannifin Corp.
