OPTIONAL FORM 936 (4-86) Sponsored by GSA FAR (48 CFR) 53 110

NASA Glenn Research Center

Occupational Health Services

Statement of Work

1.0 Health Services Program

1.1 Purpose

It is NASA Glenn Research Center (GRC) policy to provide a comprehensive Health Services Program to on-site personnel. These services consist of Occupational Heath, Medical, Physical Fitness, and Employee Assistance services.

1.2 Goal

The goal of the Health Services Program is to promote health and wellness, minimize absenteeism, maximize individual productivity, promote and maintain the physical and mental well being of employees, comply with all applicable regulatory requirements, and to implement program components to the maximum extent practicable.

2.0 Scope of Work - General

The Contractor shall provide the necessary personnel, supervision, equipment, and material, to effectively operate the GRC Health Services Program in accordance with the Statement of Work and the NASA Policy Directive and NASA Procedural Requirements referenced in Section 8.0. Additionally, the Contractor shall comply with any related NASA Standard Operating Procedures contained in the GRC Business Management System (BMS).

The Contractor shall maintain an environment conducive to the successful operation of all services provided in the performance of this contract. The Contractor shall maintain all facilities and equipment in a safe and operating manner. The Contractor shall perform period inspections, equipment maintenance, and minor repairs.

The Contractor's Medical Director shall be responsible for the overall operation of all contractor related activities. The Medical Director shall serve as the Center Medical Review Officer.

The services will be generally performed onsite in Government provided facilities during normal business hours of 7:00 a.m. to 4:00 p.m. Monday thru Friday, unless otherwise indicated.

The Contractor shall be required to procure and maintain adequate malpractice liability insurance for all services under this contract.

3.0 Scope of Work - Specific

3.1 Medical Services Clinic

The Medical Services Clinic provides services for NASA civil servants and support service contractors, and includes the provision of emergency medical, occupational health, preventative health services, and workman compensation program. All services shall be in compliance with State and Federal requirements.

The Medical Services Clinic shall be available during normal Center hours of operation, excluding Federal holidays. The hours of operation shall be as follows: Medical Services Clinic, 7:00 a.m. to 11:30 a.m. and 12:30p.m. to 4:00 p.m., Monday through Friday. At a minimum, a certified health profession (e.g.

3.1.1 Emergency Medical Services

opened only for emergencies during this time.

Limited emergency medical services shall be provided to onsite employees. These services are limited in nature and designed to coincide with other aspects of the GRC Health Services Program.

The Contractor shall:

- Provide emergency care and assist in emergency preparedness and response
- If requested by the Center's Emergency Preparedness Coordinator, respond and provide
 assistance and support during Center emergencies. Provides emergency medical care, triage,
 crisis intervention, and any other service that may be required, if within the scope of the
 Contractor's expertise.
- Conducts training in accordance with the Center's Emergency Preparedness Plan (to be provided by the Government after award), cardiopulmonary resuscitation (CPR), and first-aid.
- Provide acute medical care of work related illness and injury.
- Provide initial emergency response, medical diagnosis, and treatment for civil servants, support service contractors, or visitors who become ill or who are injured at the Center during business hours
- Determine the appropriate means of safe patient transport.
- Integrate Occupational Health Acute Care capabilities into the Center-wide emergency response plan.
- Participate in Center emergency response table top exercises and drills.
- Prepare a plan for emergency situations to include the potential for natural disasters and
 incidents involving biological, chemical, radiation, and nuclear agents, weapons of mass
 destruction, mass-casualty events, and support required under the Emergency Preparedness
 Plan and Continuity of Operations Plan.
- The Contractor shall be responsible for all medical protocols related to AED use at the Glenn Research Center and Plum Brook Station.

3.1.2 Occupational Health Program

The NASA Occupational Health Program provides care for NASA employees and contractors who become acutely ill. The Occupational Health Program also provides occupational and preventative health services to maintain and improve the health of NASA employees with a focus on the prevention, diagnosis, treatment, and care of illness and injuries caused or aggravated by the work environment All services shall be provided onsite, except the EAP and the mammography services.

The Contractor shall arrange for reimbursement of costs for services provided to employees of GRC support service contractors (see paragraph 7). No emergency or first aid services shall be denied for lack of insurance coverage.

The Contactor shall:

- Provide care of illness and occupational injury.
- Provide clinical and environmental laboratory analysis (e.g., mercury, cadmium, etc.).
- Provide retina testing for laser safety operations.
- Provide educational services such as education on human immunodeficiency virus, first aid, CPR, nutrition, and stress management.
- · Coordinate with referrals to the GRC EAP
- Provide safety glasses and supply services for prescription safety glasses as directed by the COTR. The services shall consist of dispensing, fitting, displaying, repairing, and adjustment of such glasses. (Note: necessary optical equipment not provided as GRP). Civil servants must have a work order and a new prescription to take advantage of this program. Three-day emergency service shall be provided when required. This emergency service is not expected to exceed 2 percent of the total

quantity of orders for the contract period. All safety glasses provided shall meet or exceed the American National Standards Institute Section Z87.1-2003 Standard for Frames and Lens. The Contractor shall provide and maintain records of all safety glasses provided.

- Provide medical surveillance and medical monitoring programs in accordance with OSHA regulatory requirements for exposure to toxic chemicals, such as asbestos, lead, mercury, and cadmium.
- Conduct medical surveillance for each employee in the Respirator Program on a yearly basis per 29 CFR 1910.134. The employee (civil servant and support service contractor) is responsible for contacting the Medical Services Clinic to schedule the testing. Testing should be completed during the annual health screening which is offered to civil servants in the Respirator Program. Alternate arrangements for testing will be made at the time the employee notifies Medical Services Clinic as to whether or not they elect to participate in the annual health screening program. The test will included a spirometry test, and check of ears, noise, and heart to ensure that the person is physically fit for a respirator.
- Implement an effective ergonomics program aimed at the identification and prevention of musculoskeletal disorders for civil servant and support service contractors (no charge to support service contractors. The Program shall include survey of work areas, ergonomic assessments, assess ergonomics issues relating to employees work area and/or processes, provide recommendations to the employee being assessed, and maintain all government furnished ergonomic equipment and devices. The Contractor shall perform these assessments at the employee's work area. The program shall include a written program, engineering controls, administrative controls, exposure assessment, and employee awareness in accordance with NPR 1800.1. The Contractor shall use the guidance on ergonomics as outlined by the National Institute of Occupational Safety and Health. The Contractor serves as the focal point of contact for the COTR for matters pertaining to the Center's Ergonomic Program and maintains logs and records, and associated equipment.
- Provide audiometric testing services, in accordance with 29 CFR 1910.95 (Occupational Safety and Health Administration (OSHA) Standard on Occupational Noise Exposure), NASA NPR 1820.1, Hearing Conservation, and the Hearing Conservation Program Policy (Chapter 11of the Environmental Programs Manual). The Audiometric Monitoring Program, as part of the Hearing Conservation Program shall be administered by the Contractor and coordinated with the Noise Exposure Management Program (NEMP) of the SHED.
- Serve as the advisor for the Hearing Conservation Program and shall be responsible for evaluating abnormal audiograms and for making referrals to outside specialists, as needed.
- Administer the Audiometric Testing Program. All audiometric tests shall be conducted by persons currently certified by the Council for Accreditation of Occupational Hearing Conservation or under the direction of the Medical Services Clinic physician. The Government will be provided with a list of employees enrolled in the Hearing Conservation Program. Enrolled individuals will responsible for contacting the Medical Services Clinic to schedule testing.

The audiometric monitoring program shall include baseline, annual, and exit audiometric tests for Government employees enrolled in the Hearing Conservation Program. Each audiometric exam shall also include a brief medical exam of the employee's ears, nose, and throat conducted by or under the guidance of a physician.

The Contractor shall provide audiometric test data to NEMP on a monthly basis for all Hearing Conservation Program participants and as requested by NEMP.

• Provide Travel Counseling and Immunization to civil servants who travel internationally for work related activities. The Contractor shall issue a medical clearance to international travelers. The Contractor shall review the medical and immunization history and determine if further evaluation,

testing, medication, or immunizations are needed. A travel kit stocked with a variety of over the counter medications for use during travel shall be provided to international travelers as required. The kits shall be distributed 1 to 2 weeks prior to departure and returned by the civil servant within 1 week of their return home. Returned kits are to be restocked and prepared for subsequent travelers.

- Provide flu shots to civil servants annually as supplies allow. Flu shots may also be offered to support service contractors for a fee. The Contractor shall follow the Center for Disease Control recommendations for the current year in establishing an order of eligibility.
- Provide job related FAA flight physicals for civil servants and support service contractors. Flight physicals shall be as required by the FAA Guide for Aviation Medical Examiner for applicable standards and examination procedures. The physician performing the examinations shall be a certified Aviation Medical Examiner.
- Provide civil servant crane operators with physicals in accordance with NPR 1800.1 and OSHA requirements.
- Conduct an annual 8-hour Occupational Health Fair and an annual 8-hour Safety Fair for the purpose of promoting the health and safety of GRC employees.
- Review drug testing results performed on civil servants in test designated positions. Positive test results shall be discussed with the affected employee to confirm positive or false positive results.
- Provide physical therapy to reduce lost-time injury time.

3.1.3 Incident Reporting Information System

The Contractor shall support the Agency's mishap reporting system - Incident Reporting Information System (IRIS). This is a comprehensive NASA agency wide web based system that tracks information on all occupational and non-occupational (personal) injuries and illnesses and manages information about events or conditions of environmental, health or safety significance.

The Contractor shall input basic information on work related injuries for employees that go to the contractor for medical care. The contractor initiates the employee injury process using IRIS. In addition, the contractor will meet with Safety and Mission Assurance personnel to validate employee injury data, OWCP data and mishap reports to ensure Agency's and OSHA requirements are met.

In addition, the Contractor shall report employee mishaps and close calls within 24 hours using the Quick Incident Button in the IRIS.

A NASA mishap is defined as an unplanned event that results in at least one of the following:

- Injury to non-NASA personnel, caused by NASA operations
- Damage to public or private property (including foreign property), caused by NASA operations or NASA funded development or research projects
- Occupational injury or occupational illness to NASA personnel
- Destruction of, or damage to, NASA property except for a malfunction or failure of component parts
 that are normally subject to fair wear and tear and have a fixed useful life that is less than the fixed
 useful life of the complete system or unit of equipment, provided that the following are true: (1) there
 was adequate preventative maintenance; and (2) the malfunction or failure was the only damage and
 the sole action is to replace or repair that component.

A NASA close call is defined as an occurrence or a condition of employee concern in which there is no injury or only minor injury requiring first aid and no significant equipment/property damage/mission failure (less than \$4000), but which possesses a potential to cause a mishap.

3.1.4 Preventive Health Services

3.1.4.1 Physical Examinations

The Contractor shall administer physical examinations for all civil servants who choose to participate in the employee Health Screening Program. The Contractor shall establish a system of employee notification and appointment scheduling and for rescheduling of missed appointments.

The physical examinations protocol shall be in accordance with enclosure 1. A partial physical examination shall be provided each year and a complete physical examination once every 3 years. The examinee has the right to decline any or all of the procedures. The offered examinations shall consist of the following procedures:

3.1.4.2 Other Health Services

The Contractor shall:

- Provided routine blood pressure monitoring to civil servants
- Provide seasonal allergy injections to civil servants under the care of an allergist with environmental seasonal allergies
- Provide a Mammography Screening Program through approved providers to all civil servants based on the guidelines established by the American Cancer Society. This service shall provide baseline mammography screening and annual mammography screening. The facilities providing these services must be accredited by the American College of Radiologist.
- Provide a program of nutritional awareness, individual counseling, and education programs to maintain good health, encourage behavioral change, prevent disease, and encourage an environment that emphasizes good health practices, and healthy food choices.
- Conduct individual nutrition counseling for diabetes, high blood pressure, weight loss, high cholesterol or triglyceride levels, cancer prevention, vitamin, minerals or herbal supplements, concerns about quality of diet, and other nutrition questions or problems.
- Conduct monthly inspections of the cafeterias to determine that the proper level of cleanliness is attained and maintained. Additionally, those duties such as checking foods for freshness, proper temperature, and expiration dates shall be included in these inspections.
- Provide technical guidance on areas of emergency care, adult CPR, AED, and first aid.
- Provide first aid training in accordance with American Red Cross or American Heart Association training requirements as well as support Organization and Branch needs through program review and training at staff meetings, assistance in resupplying kits, and advisory role for departmental first aid needs. The Contractor shall provide through these vehicles which includes, where appropriate, testing to allow employees to receive certification.
- Provide health and wellness training on a variety of topics not limited to physical fitness, nutrition, stress management, ergonomics, etc. A minimum of 12 1-hour sessions shall be provided per year. Civil servants shall be given priority enrollment. Health and wellness training shall be provided at no charge to support service contractors.

3.2 Worker's Compensation Program

The Contractor shall support the Worker's Compensation Program Officer. The Medical Director shall be responsible for the medical aspects of civil servant worker's compensation cases. This shall include

initiating and providing medical evidence to NASA compensation personnel for claims that do not appear to be work related and should be refuted. The respective Compensation Claims Officer shall assist as required.

The Contactor shall obtain history, assesses injury or illness, and provides treatment. The Contractor shall ensure treatment options are available for any employee with an occupationally related injury or illness during and after normal business hours. The Contractor shall provide ongoing care and follow-up until issue is resolved or maximum medical improvement has been reached.

After the determination of the civil servant's physician for clearance to return to duty, the Contractor shall provide a verification of fitness for duty and the need for job modifications or accommodations.

The Contractor shall provide assistance to the GRC Compensation Claims Officer as needed.

3.3 Physical Fitness Program and Associated Services

The Contractor shall conduct a Physical Fitness Program in conjunction with the Medical Services Clinic with the purpose of maintaining and improving participants' fitness for duty. The program shall consist of physical and rehabilitative therapy and exercise programs, stress management, special health enhancement programs, aerobic exercise to improve cardiovascular tone, anaerobic exercise, and other programs. The Contractor's Physical Fitness Program shall comply with the NASA Occupational Health Programs guidance.

The Physical Fitness Program is to be operated onsite in Building 341 from 6:00 a.m. to 7:00 p.m. week days, excluding holidays. The locker room will remain open until 7:30 p.m. daily.

Fitness Center services are available to civil servants so as to assure no interference with employee work responsibilities, but consonant with flexible work schedules. The Fitness Center services are also available to civil servant retirees and support service contractors for a fee to be reimbursed to the Government.

Prior to beginning an exercise program, it is required that a person undergo medical screening. The purpose of the medical screening is to provide a baseline for the medical and exercise professional to make recommendations concerning personal exercise program.

All individuals applying for membership are required to be screened for fitness prior to joining the Fitness Center. The Contractor shall determine the minimum level of fitness and screening required to participate in the Fitness Center and provided any medical screening requirements to civil servants. The Contractor shall provide civil servant retirees and support service contractors with the required screening requirements for a fee to be credited to the Government. Upon being medically cleared, the requestors will be granted Fitness Center membership status. The Contractor shall ensure medical clearances are up to date for all participants.

The Contractor shall:

- Provide services compatible with the standards promulgated by the American College of Sports Medicine.
- Provide basic fitness classes such as intermediate step, step and tone, interval conditioning, healthy back, toning, and muscle conditioning at no charge to members. Fees may be charged for specialized classes such as yoga and Pilates. Civil servants shall be given priority enrollment.
- Develop and implement individual and group fitness programs based on emerging national level trends as well as cust meridata.
- Provide instruction on the proper use of equipment upon their entry into the program and as needed thereafter.

- Implement exercise prescriptions as ordered by the Medical Services Clinic. The Contractor shall provide one on one attention and service to personnel who undertake medically pre-scribed fitness programs or recomens.
- Provide information and education to the onsite community through a variety of venues including pamphlets, news'etters, health screenings, lectures, and personal training, with the underlying message that optimal health and fitness are achievable, in part, through regular physical exercise and screenings for early detection of disease.
- Integrate the distness Conter's program with all other aspects of the Occupational Health Program such as environmental health, medicine, nutrition, and rehabilitation services.
- Promote special act affes such as the Slimathon, Employee Step Out, and the Summer Volleyball League.
- Maintain all participants' records which shall be used for monitoring employee progress, to study outcome measures and program effectiveness, and to track, publicize, and promote the program.
- Implement specific fitness programs and fitness screening/testing. Examples may include fitness assessments, weight to is, blood pressure normalization, strength conditioning, rehabilitation, and group activities.
- Monitor progresses of individual participants in terms of physiological responses and modify their activity prescription as requested by the participant.
- Develop a program to attract new members and to encourage a regular pattern of participation by current and new members.
- Provide physical therapy to civil servants who have been diagnosed for the need of this therapy.
- Administer the final pervices as appropriate, such as CPR, AED, and first aid.

3.4 Employee Assistance Program (EAP)

EAP is a confidential, diamonatic, and educational program providing assessment, short-term counseling, and referral services a free of charge for civil servants, their immediate family members within the same household. EAP group sensions for grief counseling/crisis management shall be provided free of charge to support services appart as:

The EAP coordinator shall be onsite 3 days per week. The hours of operation are Monday and Wednesday from 2.00 a.m. to 4:30 p.m. and Thursday from 10:00 a.m. to 2:00 p.m. When Federal holidays fall on a Monday, the EAP counselor will be onsite on Tuesdays from 8:00 a.m. to 4:30 p.m.

Offsite counseling pervices shall be available through a network of providers in the Northeast Ohio area and offer weekday weekend, and evening appointments.

3.4.1 Manageme Communition, Group Consultation, and Education

The Contractor:

- Provide emerged by EAP consultations 24 hours per day, 7 days a week. This will include access to a
 psychiatrist
- Provide servation complexes or family self-referral, management referral, or Medical Services Clinic referral.
- Offer short-to module delig limited to three visits per problem for civil servants and their families. The EAP or the second of the second o

determine the appropriateness of greater than three visits. Should the need arise for more than three sessions; the employee will be assisted in finding a provider under the employee's medical plan.

- Participate on committee and in meetings to clarify and promote the EAP.
- Provide a with range of appropriate educational materials for distribution and posting.
- Provide informational sessions, workshops and seminars on a wide range of topics.
- Provide management consultation in a variety of areas such as violence in the workplace, stress, and conflict.
- Provide consultation to management on the Drug-Free Workplace Program.
- Consult and provide edullation on violence prevention to management and organizations.
- Facilitate and/ar coording to the implementation and scheduling of health related support group meetinas.
- Provide bimortaly (1 hour in length) onsite seminars addressing a variety of workplace issues facing employees including, but not limited to, stress management, workplace issues, elder care,
- Increase employee awar mess of the availability, nature, and scope of EAP services through periodic
- Review the restarc, scope, and accessibility of the EAP services
- Assist employees in returning to their position and job duties at the level required in their job
- Provide managers with periodic training and education to:
 - Review manager's responsibilities to employees
 - Review how to add to s issues such as identifying poor work performance and confronting a troubled employee
 - Discuss the benefits of early detection and referral emphasize their role in using EAP as a management to a ssist employees with job performance issues, behavioral problems, or excessive the intecism

Crisis Management

The Contractor : ##:

- Provide crisis management for disaster and emergency situations, as directed by the COTR. Additional resources for Critical Incident Stress Debriefing in the community will be identified and made available les aprir printe.
- Support the Engreedy Preparedness Plan and participate in one table top exercise per year consisting of the fewer receting that will last up to 4 hours. This exercise will prepare for and support emergency six to not involved the potential for natural disasters and incidents involving biological, chemical, resisting a nuclear agents, weapons of mass destruction, mass-casualty events, and support requised under the Emergency Preparedness Plan and Continuity of Operations Plan.
- Support the $\alpha = aqenc_{ij}$ reparedness plan and participate in one drill per year consisting of a simulated early and that will last up to 4 hours. This drill will pre-pare for and support emergency situations to large the potential for natural disasters and incidents involving biological, chemical, radiation, and nuclear agents, weapons of mass destruction, mass casualty events, and support required under the Emission Preparedness Plan and Continuity of Operations Plan.

3.4.3 Referral

The EAP helps on a wear their spouses, family members living in the employee's household, and other legal dependent in a law it not in the areas of:

- Work-related supp
- Family or principal relation Mp issues
- Strens-relati IIn o
- Alcohol and ostance of the problems
- Psychologic and psychattic disorders
- Grief and lons
- Legal or financial concerns
- Other issue: (* 12., care of et tarly parents, retirement)

- Coworker cc ***ct
- Depression and anxiety
- Domestic violence
- Stress
- Associate with and have access to a detoxification care unit. Several facilities in a variety of cost categories simple dentified in order to place the employee in a treatment plan that best meets their health insurance, financial status, and social situation needs.
- Select and numbers are community referral list, with a wide range of professional providers and professional provides, for employee and family referrals.
- Periodically review/evaluese outside services rendered and update the referral list.
- Provide dependent care services by childcare and eldercare specialists who will be available via telephone to work one-on-one with employees and their families to assist them with dependent care issues such a finding a backup daycare when their primary provider no longer can perform these services or assisting with finding the support necessary for an aging parent.
- Provide a 30-minute telephone consultation on legal issues to assist employees with a variety of common problems including divorce, elder care estate planning, taxes, etc.
- Provide a 60 refinite consultation with a Financial Planner where financial difficulty is determined during the consultation period.

3.4.4 Follow-up

The Contractor stall:

- Maintain a follow-up process to monitor the employee's progress.
- Conduct return to work interviews on all cases that were referred by management.
- Consult or refer employees to Medical Services Clinic physician when the return to work involves medical issued.
- Provide follow-up on management-referred cases to assist employee with effective readjustment to the workplace after receiving treatment for problems such as mental health, personal and social adjustment, and finished, ubritance abuse.

3.5 Materials and Supplies

The Contractor start provide affice supplies, medical supplies, eyewear material, laundry services, lab services, prescription and note-prescription drugs, service and maintenance agreements, software licenses not provided by OCML and equipment under \$5000.

3.6 Reimbursement Promin

The Contractor chall establish and implement a Reimbursement Program for all services provided under this contract to rear-Government employees. Any fees collected shall be fully credited to the Government on a monthly ball and indicated on the monthly financial report and invoice. Fees include: full cost for flu shots, Fitness center medical screening, Fitness Center costs, FAA flight physicals, safety glasses, Hepatitis A and Firamunizations, tuberculosis immunizations, and any other services rendered.

The Contractor shall institute a program offering civil servants who are private pilot hobbyists a FAA flight physical extension above the requirements for annual physical examinations (Section 3.3) for a fee to be reimbursed to the Government.

4.0 Personne' Qualif . Inc.

The Contractor of the first qualified personnel for all aspects of the Health Services Program. The Contractor shall a respondence for certifying that they meet all personnel qualifications/certifications specified.

During the perfect since of work on this contract individual credentials, such as resumes, licenses, and certification associated shot be provided to the Government upon request.

4.1 Physician(*)

The Medical Director for this contract shall be a physician. Physician(s) must be licensed to practice in the state of Ohio in at least one specialty recognized by the American Medical Association.

The physician(s) must be capable of performing thorough physical examinations including EKG and basic x-ray interpretations.

The physician(s) must be can able of performing emergency procedures such as suturing; cardiac resuscitation; emergency foot ment of hypovolemic, cardiogenic, and neurogenic shock; treatment of convulsions, hypothermia, and frestbite; and initial treatment of fractures and other such conditions.

The physician(s) must be capable of evaluating occupational exposures in areas such as noise, lasers, radiation, microwaves; and inhalation, contact, and ingestion of toxic materials.

The physician(s) must be comble of providing coordination with and referral services for the EAP.

A physician shall have current certification for FAA examiner for Class I, II, and III. Shall be accredited by either the Association of Medical Review Offices or the American College of Occupational and Environmental Medicine.

4.2 Physician Assistante Marse Practitioner(s)

Physician assistant(s) and nurse practitioner(s) must be a graduate of accredited nursing program and possess a Certificate to Prescribe. The physician assistant(s)/nurse practitioner(s) must be licensed to practice in the state of Ohio.

4.3 Nurses

Nurses shall be confetered nurses or licensed practical nurses. All nurse(s) shall be licensed or registered in the state of O are.

4.4 X-Ray/Medical Technician(s)

The x-ray/medic of behavior (s) shall be registered and licensed in the state of Ohio and in good standing with the American Digitally of Partiologic Technologists. The x-ray/medical technician shall be a graduate of an accredited or gram of ratio ogic technology, with experience in a medical clinic or hospital environment.

4.5. Physical Therapist

The physical therapiet shall be licensed in the state of Ohio.

4.6 Optician

The optician should be a direction and licensed in the state of Ohio.

4.7 Dietitian

The dietitian shall be a Registered Dietitian (RD). An RD has a bachelor degree in nutrition or a related field, completed a dietetic internship or supervised practice experience and passed an examination to become registered. The RD shall be skilled in individual and group counseling, and possess the ability promote the wolliess program.

4.8 Ergonom -

Contractor personnel shall be trained and experienced in conducting ergonomics surveys and providing recommendation to concerns at the industrial and/or research site.

4.9 Hearing Conservation

Contractor personnel shall be trained and experienced in supporting of the Hearing Conservation Program.

4.10 Respiratory Protection

Contractor personnel shall be trained and experienced in support of the Respiratory Protection Program.

4.11 Fitness Center Staff

Fitness Center staff shall have a Bachelor's degree in exercise physiology or related field, or at least 4 years of related experience. All staff members shall be certified by either the Aerobic Fitness Association of America, American Council on Exercise, National Exercise Trainers Association, or equivalent certification.

Fitness Center staff shall be certified in CPR, AEDs, and first aid.

Fitness Center staff shall possess the physical ability to be able to demonstrate and instruct the proper use of exercise equipment and perform routine maintenance on the equipment.

4.12 EAP Staff

EAP counselors that have a prinimal education level of a Masters degree in an accredited mental health field (e.g., clinic absychology, social work). All counselors shall be licensed in the state of Ohio. Experience in counseling, nanagement consultation, and drug and alcohol assessment expertise is required. Certification as an Employee Assistance Professional is a preferred credential.

5.0 Records, Reports, and Performance Metrics

All records, reports, and data shall be maintained by the Contractor according to NPR 1441.1 NASA Records Retention Schedule and the Privacy Act of 1974, and are the property of the Agency. All records (both hard copy and electronic) shall be available for Agency medical quality control review.

5.1 Medical Fuscords

The Contractor shall be responsible for the maintenance of accurate and complete medical records of all patients and fits the sear the members. Records shall be used to support required treatments, verification of medical clear incent program analysis, compilation of statistical data, determination of individual baseline health and progress, and summary of any incidents occurring during facility use including the response and patient outcome.

The Contractor wholl content in an accurate and complete electronic database of patient records as may be directed by the 1997 (2007).

The Contractor was be rent ensible for assuring employee medical records are secured and confidentially maintained. Remarks that be maintained in accordance to the following (most current revision):

```
Privacy Act 174

NPD 1382. Pro Act Upstem of Records (NASA 10HIMS)

NPD 1880 Prost inplorate Assistance Program

OSHA record keromy regulations

Bealth Insurance Portability and Accountability Act Regulations
```

Access to and copies of e^{-} ployees' medical records are permitted upon receipt of a signed release by the employee or receipt of a notorized designation by the employee or third party.

Records shall also be maintained for maintenance, calibration, repair, and replacement of all equipment.

All medical records (written and electronic) developed during the contract shall be transferred to any follow on contract and shall be subject to the contract clause entitled "Installation Provided Government Property".

5.2 Reports and Performance Metrics

All necessary reports/metrins shall be communicated through the chain of command to the appropriate source. The Contractor in all have a system in place to trend any emerging patterns. Reports may be narrative or statistical management and are generally required on a monthly and annual basis. The Contractor and the COTR shall periodically review the required tracking elements. Reports shall be prepared in accordance with laws, policies and regulations concerning confidentiality.

The Contractor of all collect and report data and metrics on a monthly basis. The information shall summarize performance in each service area of the SOW and include patient satisfaction information. The final metric integers shall be submitted for the COTR for concurrence.

5.2.1 Monthly T. chnich! Report

The Contractor shall provide monthly reporting in accordance with the Reports of Work clause of this contact. The number of shall include both monthly technical and financial reports. This technical report shall consist of a subsequence of the Contractor's performance for each of the service areas of the SOW. A narrow of subsequence of statistical data shall be provided.

The report shall include, but is not limited to, customer satisfaction, number of patients seen for each type of exam, immurate attents, health screening checks/exams, medical monitoring, injury reports, laboratory, x-ray, physical foress programs, and mental health and counseling services, etc.

The report shall also include suggested efficiencies of operation and innovative approaches for cost savings, and identification of contract operational concerns.

The EAP shall track demographics, cases, referrals, and outcome data for individuals and groups.

5.2.2 Monthly Figure 14 Continued at 15 Contin

The Contractor shall provide monthly financial information in accordance with the Reports of Work clause of this contact. The contractor shall include an itemized breakdown of reimbursement for services provided to support pervice contractors. The breakdown shall separate by civil servants, civil servant retirees, and support service contractors.

5.2.3 Annual Color of Remort

The Contractor analysis of the data.

6.0 Government-fund 1 Equipment

The Contract state and in take use of Government-furnished equipment to the greatest extent possible.

The Contractor state state te, or aintain, and/or replace equipment to ensure that all equipment is serviceable.

Prior to replace that or remaining equipment, the Contractor shall provide to the COTR a best value analysis for a line remaining or lease/buy requests.

The Contractor shall develop a replacement plan for all Government-furnished equipment, both tagged and untagged.

Equipment purchased at \$5000 or more and with a service life of 2 or more years is considered tagged equipment.

7.0 Maintenance Agreements

The Contractor chall have maintenance and calibration agreements for the x-ray equipment and other equipment, as required. The Contractor shall have software licensing agreements.

Periodic equipment maintenance of the exercise equipment shall be performed by the Contractor staff or through a maintenance acreement,

Enclosure 1 - Physical Examine Requirements.

Minimum requirements for a complete physical examination given every 3 years:

- Update Family and Past History.
- Height, Weight, and Vital Signs.
- Complete Body Examination
- Hemoccult, over age 45 every year or at any age with significant risk factor history
- 12 Lead Electrocardiogram (EKG) baseline and as needed according to risk factors
- Basic Metabolic and Lipid Corels (complete blood count with differential, urinalysis with microscopy, and thyroxin level).
- Visual Acuity Test and Tonometry.
- Testing offered during the base-line examination includes an audiogram, chest x-ray, and pulmonary function test. Pulmonary function testing includes Forced Vital Capacity, Forced Expiratory Volume 1.
- A Screening Exercise Cardino Stress (if indicated by significant personal history or family history and examination (indings) should be offered (within the clinic, if NASA standards are met). Follow-up will be recommended if clinically indicated.
- Papanicolago (PAP) test in conjunction with a female pelvic exam

Minimum requirements for partial physical examinations every year:

For Women: Over 40

Women: All Ages

- Lab work - Visual acuity - Vital signs, height, weight - PAP, pelvic, breast, vital signs

- Tonometry

- EKG yearly, with risk factors
- Hemoccult Cond, over age 45 or earlier with significant personal/family history
- PAP, pelver resital, and breast examination

For Men: Over 40

Men: All Ages

- Lab work

- Vital signs, height, weight
- Vital signs, height, weight
- EKG, with risk factors - Testicular examination

- Visual acuity - Tonometry
- EKG yearly, with risk factors
- Rectal exam
- Hemoccult Card, over age 45 or earlier with significant personal/family history
- Testicular ex mination
- Prostate specific antigen test, over age 50 (over 40 if family history)

Additional Forgurements for Physical Examinations:

The following additional projectures shall be offered only under conditions when necessary or determined to be advisable by the examining physician, or dictated by existing standard medical testing protocols:

- Baseline chent x-ray, both posturior anterior and lateral, shall be offered at the time of the employee's first health screening in Medical Services. Subsequent x-rays shall be provided when deemed advisable by the example on physician.
- Provide q^{-1} flexercise stress fasts as appropriate to the patient.
- Pre-emple at physical Consordidates as requested by the COTR.
- Prepare and relative report for the potient file, which contains all the information in the exam and test results. The partactor shall provide the patient a copy of the examination results.
