MIRA la Luna: Igniting Interest in STEM for Middle School Students of the Salinas Valley

Jean Perkins
6/1/23 - 5/31/25

In addition, the Museum will help school districts prepare, via NASA materials, activities, and resources focused on safety, for the April 8, 2024 total solar eclipse. The Museum will collaborate with the Southwestern Association of Planetariums to purchase and provide materials such as solar eclipse viewers to roughly 10,000 teachers in the area - which is in the eclipse’s line of totality.

List of Partners:
- Salinas Union High School District
- Gonzales Unified School District
- Soledad Unified School District
- North Monterey County Unified School District
