

ACTIVITY SHEET

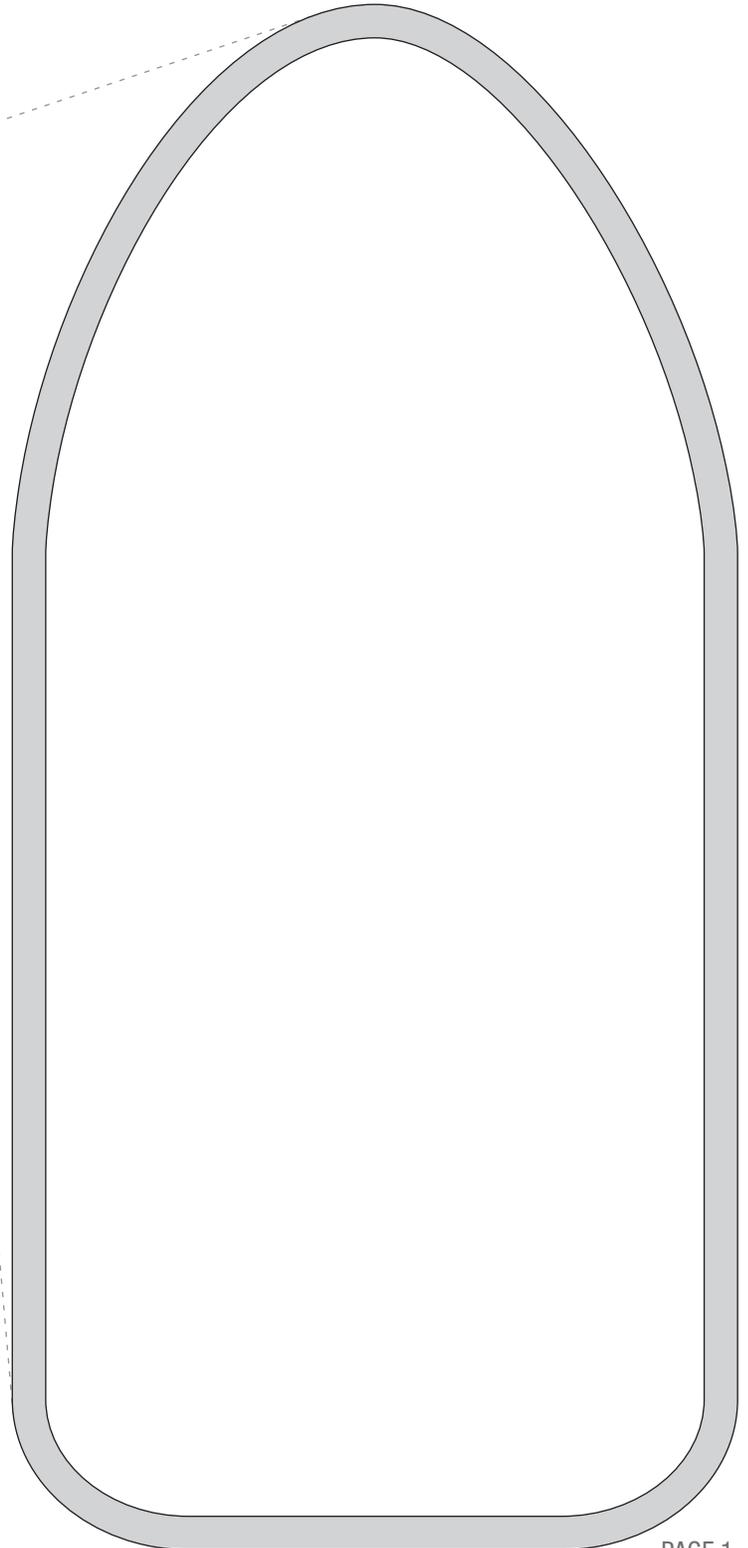

# NASA Space Communications and Navigation

## Packing a Rocket

GRADES K-3

### Can you help us pack for space?

Everything on the checklist needs to fit inside the top of the rocket. Cut out the pieces on the next page and arrange them to fit. Glue or tape them into place. Check each one off the checklist as you go to make sure you are ready for launch!

# Packing a Rocket

Cut out the pieces on the checklist.
