# **SOUTH DAKOTA**

153 NASA Jobs Supported

There is 1 NASA Federal job and  $98^*$  contractors in the state of South Dakota.

For every NASA federal job located in South Dakota, an additional 152\*\* jobs are supported in the state economy. For every million dollars' worth of economic output generated by NASA federal jobs, an additional \$49.7\*\* million worth of output is sustained throughout the state economy.

- \* Indirect effects are the purchases of goods and services by government agencies and private sector contractors, as well as by the industries that supply them.
- \*\* Multiplier based on IMPLAN Input Output (I-O) model. To learn more, please visit: <a href="https://blog.implan.com/understanding-implan-multipliers">https://blog.implan.com/understanding-implan-multipliers</a>

### NASA Astronauts (Former)

Michael Fossum
Charles "Sam" Gemar

One South Dakota supplier contributed to NASA's Artemis program. An example of the state's contributions is the supply of custom configured workstations for use in the Orion Program Test Labs.
