Space Administration

# NASA EXPLORES

**NASA Town Hall Welcome**  
37th Annual Small Satellite Conference

Christopher Baker, Program Executive  
Small Spacecraft Technology and Flight Opportunities Programs

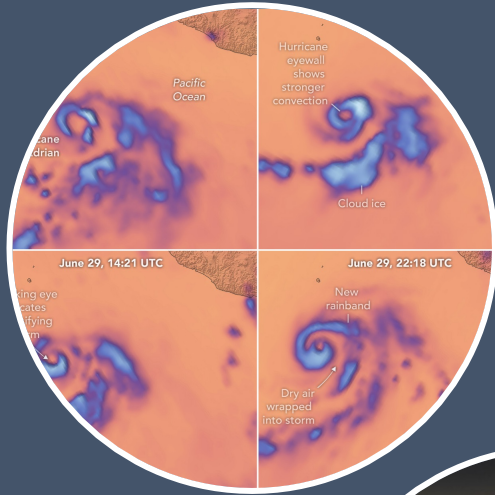

August 7, 2023

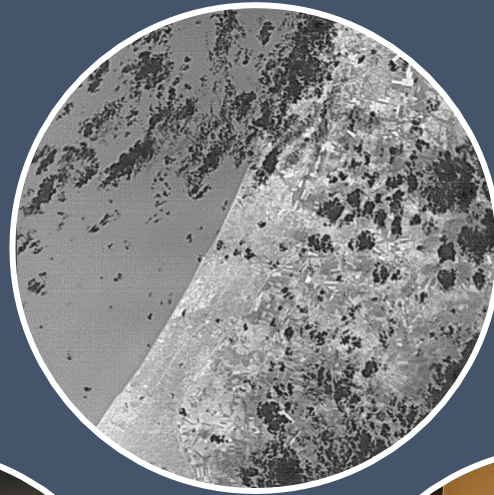

# SINCE LAST SMALLSAT...

## A Snapshot of the Last Year in NASA Smallsat Missions

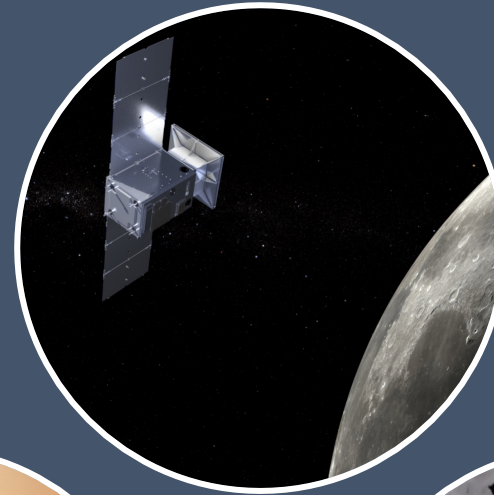

TROPICS First Light Data

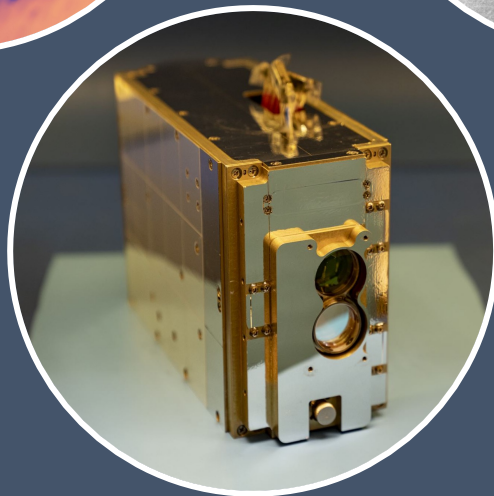

MURI Instrument First Light

CAPSTONE Operating in the NRHO

Starling "Swarm" On Orbit

PTD-4 / TBIRD 200 Gbps Optical Link

23 CSLI CubeSat launches since last SmallSat...

... 31 more manifested to launch within a year

# ENGAGE WITH NASA

## ✿ Join our Communities of Practice

- Small Spacecraft Systems Virtual Institute (S3VI)
- STMD Flight Opportunities
- Learn Forum / SMD PI Launch Pad

## ✿ Subscribe to our newsletters

## ✿ Match your solutions to available funding opportunities

- S3VI Opportunities Page:  
[nasa.gov/smallsat-institute/nasa-smallsat-opportunities](https://nasa.gov/smallsat-institute/nasa-smallsat-opportunities)

## ✿ Offer feedback on our strategic plans and reports

- Small Spacecraft State of the Art:  
[nasa.gov/smallsat-institute/sst-soa](https://nasa.gov/smallsat-institute/sst-soa)
- STMD Strategic Framework: [techport.nasa.gov/framework](https://techport.nasa.gov/framework)

## ✿ Visit our booths

**Open now:**

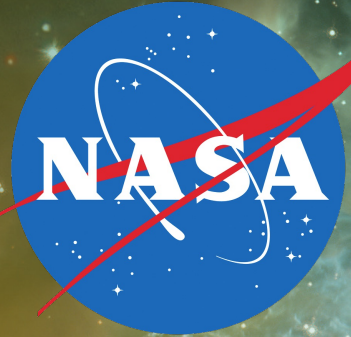

Suborbital/Hosted Orbital Flight  
and Payload Integration  
Services

**Due: Aug. 28 at 12 pm PT**
