

## ***Lunabotics 2024 Award Winners***

NASA's Lunabotics started with 58 teams applying to the challenge and of those, 42 making it to the University of Central Florida's Lunabotics Qualifying Event held at the Florida Space Institute's Exolith Lab. From there the ten highest scoring teams moved to the Kennedy Space Center to complete the challenge, here are the results from the teams and their work.

### **Presentation and Demonstrations**

Presentations and Demonstrations First Steps Award, Best Presentation by a First Year Team Harrisburg University of Science and Technology

Presentations and Demonstrations Award 3<sup>rd</sup> Place - University of Utah

Presentations and Demonstrations Award 2<sup>nd</sup> Place - Purdue University-Main Campus

Presentations and Demonstrations Award 1<sup>st</sup> Place - University of North Carolina at Charlotte

### **STEM Engagement**

STEM Engagement Honorable Mention - Harrisburg University of Science and Technology

STEM Engagement Award 3<sup>rd</sup> Place - Iowa State University

STEM Engagement Award 2<sup>nd</sup> Place - Auburn University

STEM Engagement Award 1<sup>st</sup> Place - University of North Florida

### **Systems Engineering Award**

Systems Engineering Paper Award 3<sup>rd</sup> Place - Purdue University - Main Campus

Systems Engineering Paper Award 2<sup>nd</sup> Place - The University of Alabama

Systems Engineering Paper Award 1<sup>st</sup> Place - College of DuPage

Systems Engineering Paper Award Leaps & Bounds Award - New York University

Systems Engineering Paper Award Nova Award for Stellar Systems Engineering by a First Year Team - Ohio State University

**Innovation Technology Award** - University of Illinois – Chicago

**The Mission Control "Failure is Not an Option Award for Team Persistence"**

University of Illinois – Chicago

### **Robotic Construction Award**

Robotic Construction Award 3<sup>rd</sup> Place - University of Utah

Robotic Construction Award 2<sup>nd</sup> Place - The University of Alabama

Robotic Construction Award 1<sup>st</sup> Place - Iowa State University

### **The Caterpillar Autonomy Award**

6<sup>th</sup> Place – Purdue University

5<sup>th</sup> Place – University of Illinois at Chicago

4<sup>th</sup> Place – Iowa State University

3<sup>rd</sup> Place – University of Utah

2<sup>nd</sup> Place – Vanderbilt University

1<sup>st</sup> Place – University of Alabama

### **The Artemis Grand Prize**

First Ever Tie - Iowa State University & The University of Alabama

**Thank you to all who made this happen, to the schools and to the Lunabotics teams. See you in 2025!**
