

**National Aeronautics and Space Administration (NASA)
Small Business Innovation Research (SBIR) Ignite Solicitation**

**Confirmation of Box Submission for Technical Proposal
Containing ITAR-EAR Data**

Please carefully read the following statements:

- To comply with export control regulations, if your technical proposal contains ITAR/EAR information, you must not submit your Technical proposal via Valid Eval.
 - You must submit your technical proposal via Box if your Technical proposal contains ITAR/EAR data.
 - After submitting your Technical Proposal that contains ITAR/EAR data to Box, complete this form and upload a copy in the Uploads section of Valid Eval in place of your technical proposal.
-
