Digital Guide

- Once you click on Sign up, it will ask for an email address. Please enter your email address and click Continue.
- A verification code will be sent to the email address with the **Subject line: [Valid Eval] Sign up verification code**. You will have to enter that Code in the correct field and enter your First Name, Last Name and create a Password for the account and click on Sign up.
- This creates a User Profile for you in Valid Eval. You can now see your Name on the top right-hand side of your screen.
- Once you have signed up, you can use your credentials every time to login into the Valid Eval.

The screenshot shows the 'Sign up' form for NASA Launchpad. It includes a 'NASA Launchpad Sign Up' button, an 'Email Address' field with the value 'priyanka.jadhav@reisystems.com', a verification code field, and fields for 'First Name', 'Last Name', 'Password', and 'Confirm Password'. A 'Sign up' button is at the bottom. A light blue message box states: 'An email containing a verification code should arrive to the provided address within the next few minutes. You must provide the enclosed verification code to continue with the sign up process.' A 'Resend verification code' link is next to the verification code field. At the bottom, it says 'Already have a Valid Eval account? Login'.

The screenshot shows the 'Log In' form for 'usg.valideval.com'. It includes a 'NASA Launchpad Login' button, an 'Email Address' field, a 'Forgot your password?' link, and a 'Continue' button.
